STYLE members continue to help share and promote the ROSC Community Survey.

Some of the STYLE members will be helping at Trunk or Treat on Monday at Pizza Hut in Tuscola and at Free Laundry Day in Arcola on November 12th.

The group reviewed the local meeting list we have to make sure it is accurate. Misty is checking on one of the locations in Atwood and getting back to us. The group is hopeful that the NA meeting in Tuscola will be up and going again soon but will check with the contact person on that.

There was a short discussion on if the STYLE group should meet in the near future at a location in one of the smaller towns in Douglas County such as Villa Grove or Arcola. We talked about possible locations and how to let others in those small community know.

Some of our time was spent getting to know each other and talking about resources like transportation.
