 - **Jeff Dick** (Community Member)
 - **Megan Janes** (BASE program Hour House)
-

STYLE members continue to help share and promote the ROSC Community Survey until December 5th.

Comments from the recent MAR learning session Douglas ROSC hosted was that there is still a stigma with MAR and for many individuals MAR has been a successful journey.

The group is hopeful that the NA meeting in Tuscola will be up and going again soon there is a location but need committed individuals to attend. Hopefully it will start after the first of the year.

There was a short discussion on if the STYLE group should meet in the near future at a location in one of the smaller towns in Douglas County such as Villa Grove or Arcola. Or even at a local restaurant in Tuscola and not at the Annex building to try to increase attendance and eventually at PJ's Place in Tuscola.

Misty had an idea for the distribution of items for cold weather such as hats, gloves, hot hands, etc. to community members that the group talked about. She thought about attending a community event like the Arcola Christmas Sweep and providing the items there. ROSC can provide Narcan, Narcan training/information at this event. Misty is looking into location, date and time and will let the group know how they can help.

Group members participated in a supportive discussion about recovery and relationships while completing a gratitude activity.

Next Meeting: Date: December 16th, 2025 **Time:** 6:00 PM

Location: Douglas County Annex, 209 East Van Allen, Tuscola, IL
