Sectors Represented: PLE (People with Lived Experience), Treatment Providers, Community Members

2. Welcome & Introductions

Kim Haywood welcomed participants and thanked attendees for participating in the ROSC Community Collaboration Meeting. Participants introduced themselves and briefly described their roles within the community and recovery support network.

3. Community Updates / Data Discussion

The group discussed the importance of building a Recovery Oriented System of Care (ROSC) that connects community organizations and individuals to multiple pathways of recovery.

Topics discussed included:

- Purpose and framework of ROSC
- Importance of community collaboration
- Strengthening connections between organizations

- Identifying community needs and recovery support gaps

A brief presentation was shared to explain the goals of ROSC and the value of cross-sector partnerships.

4. Project / SMART Goal Updates

Project: Community Partner Engagement

Update: Discussion focused on bringing community partners together and identifying community needs.

Next Steps: Continue outreach and engagement with community organizations to strengthen collaboration.

Lead: ROSC Team

Additional Projects: No additional projects discussed.

5. Partner / Agency Updates

Ms. Webb provided updates regarding services available through her organization. She also discussed resource sharing and linkage agreements between agencies to improve coordination of services and increase access to recovery support resources.

6. Decisions Made

- Continue building the ROSC network through community partnerships
- Identify service gaps within the recovery support system
- Prioritize community-driven solutions to strengthen recovery supports

7. Action Items

Continue outreach to community organizations and stakeholders – Responsible: ROSC Team
Timeline: Ongoing

Identify priority goals for the ROSC collaborative – Responsible: ROSC Team | Timeline: Next Meeting

Continue discussions to build a recovery-ready community – Responsible: ROSC Team |
Timeline: Ongoing

8. Next Meeting

Date: March 20, 2026

Discussions took place regarding priorities for the next BBC-ROSC meeting. The group also discussed restructuring future meetings to include fewer agenda items in order to allow more in-depth discussion.
