Welcome and Introductions for any new attendees

Attendees:

The group talked about the upcoming events for ROSC such as regular council meeting on February 25th in Tuscola, Free Laundry on February 28th in Villa Grove. The group spent a little time updating each other on other local groups that have upcoming events in Douglas County.

Attendees talked about what to do at the April STYLE meeting in regards to the senior population. We discussed the possibility of doing some planters with flowers and decorating the planters. The senior population is important in our community and are often overlooked. This may be a way for our group to reach out and be of service.

Attendees talked about what is planned for the Sober St. Patrick's March meeting that will be held at the Zest for life center in Villa Grove. The group wanted to offer this safe sober space in March for anyone interested. There will be a couple of fun activities, recovery resources, and some snacks will be provided.
