## Recovery Navigator Update

Jessica Parrill provided updates on upcoming activities.

- **Details**

- Jessica is hosting a community event painting Easter eggs at the Marshall Library April 1<sup>st</sup> from 2-3 pm
- Bobbye let the council know how proud she is of Jessica's consistency visiting the Clark County Jail and her recent success and seeing individuals there

## Agency Updates

Multiple agencies shared their current programs and upcoming events.

- **Details**

- Kristen Davis: Explained Regional Substance Use Prevention Integration Grant, working with organizations to fill gaps in substance use prevention, developing toolkits for school resource officers, community organizations, and parents/caregivers
- Camille Gordon: Announced Hope of East Central Illinois "Bowls of Hope" fundraiser on Tuesday in Charleston at Wesley United Methodist Church, 5-7 p.m., featuring soups, dessert auction, and merchandise
- Bobbye: Youth Mental Health First Aid course led by Michelle Creech on June 17th (blended format with online pre-work and in-person 9 a.m. to 4 p.m.), free certification valid for 3 years

- Michelle Creech: HRC started comprehensive approach where substance use treatment clients also receive mental health assessment and enrollment due to co-occurring disorders, new groups have started
- Twon: Life Center partnering with SAIL for community expo at Harlan Hall on April 29th, No Kings rally in Marshall on March 28th at 3:30 p.m., Marshall reinstating DARE program

## Mission and Vision Statement Review

Council discussed reviewing and potentially updating mission and vision statements to better reflect current membership and community focus.

### • Details

- Bobbye: Proposed reviewing mission and vision statements as council has many new members and is rebranding with new logo, wants council to feel more like Clark County and include member voices
- Discussion points: Limited family-focused programs currently available (mainly Al-Anon), "We Can and Do Recover" phrase originated with initial ROSC campaign, mental health services are limited in county
- Beth: Suggested mission statement is comprehensive but lengthy.
- Bobbye: Noted deliverables often require specific language, proposed council members review and provide feedback for potential vote next meeting
- Discussion on Council Vision: Whether to change "families" to "individuals and families" since most services are individual-based

## Recovery Court Panel Event Planning

Detailed planning discussion for upcoming panel event to educate community about recovery court.

### • Details

- Bobbye: Panel scheduled for April 30<sup>th</sup>, will feature Judge Shaner (retired judge who started recovery/drug court in his county), treatment providers, court coordinator, recovery graduates, and possibly Chief Probation Officer from Illinois Office of Supreme Court
- Bobbye: Plans to provide informational packets for attendees, emphasized need to determine realistic programming format before presenting to judge
- Discussion on participant costs: Drug court typically costs participants more (drug screenings, fines, monthly fees) but offers incentive of reduced sentencing, longer and more intensive program with phases
- Susan: Suggested starting with overview of what recovery court looks like so attendees understand differences
- Beth: Shared experience with drug court requirements including weekly meetings, random drug tests, SUD program participation, and 5 outside meetings per week

- Twon: Suggested asking about recidivism rates comparing recovery court to traditional court, finding statistics from established programs in other counties
- Bobbye: Considering researching how other small-town police forces handle staffing for recovery courts
- Susan: Recovery court would be easier to obtain grant funding as donors prefer new, cutting-edge initiatives, suggested having recovery court graduate speak about life impact
- Judge Shaner's program: Privately funded through fundraisers and donations, not county money
- Cross-panel questions and community Q&A will be included
- Separate focused meetings needed to finalize questions and event details

## Candlelight Vigil for Overdose Awareness Day

Planning discussion for annual August Vigil.

- **Details**

- Bobbye: Asked if council wants to continue tradition of candlelight vigils for Overdose Awareness Day (August 31st), last year held on courthouse lawn with customizable light colors
- Jessica: Suggested collaborating with Hope of East Central Illinois since they held separate vigil shortly after ROSC's last year
- Camille Gordon: Hope held vigils in all 7 counties they serve for first time last year, usually in October for Domestic Violence Awareness Month, willing to partner and participate
- Date discussion: August 31st falls on Monday, considered moving to Wednesday August 26<sup>th</sup> for better attendance
- Twon: Finds vigils very cathartic as her brother overdosed, attended vigils in Edgar and Clark Counties, wide open for scheduling, willing to help

## Recovery Month Celebration Planning

Discussion of September Recovery Month activities and potential new initiatives.

- **Details**

- Bobbye: Past few years held recovery picnic, seeking ideas for how to recognize Recovery Month and if hosting the picnic is still what the council wants to do
- Michelle: Suggested painted rocks scavenger hunt where people find rocks with recovery messages, post on Facebook page, potential prizes, rocks could be hidden by council members with clues posted
- Bobbye: Liked idea of adding a hashtag and getting all involved in hiding rocks
- Discussion: Could do scavenger hunt separate from or in addition to recovery picnics
- Bobbye: Has organized purple drink promotion at local establishment for past 2 years during Recovery Month to raise awareness, other ROSC councils adopted this, wishes for local coffee maker partnership for recovery blend with proceeds donated

- Brandi: Offered to ask Cackle Shack about creating recovery-themed baked goods
- Discussed coordinating dates with Edgar County ROSC Council since September is a busy month.

## Priority Projects

Review of remaining objectives for current fiscal year ending June 30<sup>th</sup>.

- **Details**

- Bobbye: Listed priority projects and remaining objectives through June 30<sup>th</sup>, strategic plan shows good progress, many tasks involve creating overviews and handouts
- Harm reduction: Solid progress with DOPP sites, management, and awareness
- Recovery court: Picking up most momentum currently
- Recovery housing: Will require community awareness event after recovery court event to gather feedback and buy-in
- Recovery Court Exploration Group: Originally planned meeting date, supervisor suggested waiting to introduce to county until panel event to get in-person feedback and buy-in, still wants planning meeting soon

## Meeting Time Change

Council voted on new regular meeting time.

- **Details**

- Bobbye: Majority voted for Thursday morning, proposed Thursday at 10 a.m., third Thursday of month
- Michelle: Prefers third week as fourth is too close to month end
- Camille Gordon: Thursday 10 a.m. works
- Twon: Fine with proposed time
- Bobbye: Daytime meeting allows work-related attendance, emailed Dean about room availability, alternative room available where living room used to be

- **Conclusion**

- New meeting time: Third Thursday of each month at 10 am
- Starting April 16<sup>th</sup>, 2026
- Location: Current meeting room at HRC or alternative room if needed
- Zoom option available for those unable to attend in person.

## Recovery Housing

- **Details**

- Bobbye: Need to establish recovery housing subcommittee for interested members, recognizes not all priority projects interest all council members, smaller committee can focus on specific targets
- Recovery housing important factor for successful recovery court implementation

## Upcoming Events Reminder

Final announcements of scheduled activities.

- **Details**

- Egg painting event: April 1<sup>st</sup> from 2-3 p.m. using markers not paint, flyer available
- Laundry day: Changed to April 24<sup>th</sup> from 12-3 p.m. at Marshall laundromat, flyers sent out
- Community in Bloom flower pot planting: May 22<sup>nd</sup>, partnering with Ewing Garden Barn, participants can write positive affirmations/recovery messages on plant labels, resource tables available, mid-morning timing planned
