

Transfer Guide for Associate in Applied Science in Physical Therapy Assistant to Bachelors of Health Science in Community Health, Preparing for the Doctor of Physical Therapy

The following is presented as an articulation agreement between Morton College (MC) and Governors State University (GovState) for the Community Health degree program based on the current catalogs of both schools. The student would receive an Associate in Arts (AAS) degree in Physical Therapy Assistant from MC and a Bachelors of Health Science (BHS) degree in Community Health from GovState. **This will prepare students for the physical therapy program (DPT) but does not guarantee admission. See GovState catalog for additional admission requirements.**
