The July meeting for the Peoria County ROSC was a huge success. We had 26 people in attendance. Our presenters were Naomi Willis of Meadowview Behavioral Hospital and Ray McMahon of Recovery Corps. Both presenters highlighted their organizations and the services they offer. Meadowview recently opened their facility for in-patient care and Recovery Corps is looking for sight partners to host peers. A wonderful and informative Q and A session followed the presentations. Council members were engaged and appreciated the presentations and information a great deal. PCR did a 5-to-10-minute rap session on our upcoming survey. A great discussion followed and an example of the survey from last year and other surveys has been emailed to the PCR since. Council members agreed to continue the work on the survey at our August meeting. The PCR Coordinator has met with council members, colleagues, and superiors to discuss the strategic plan and the trajectory of the Peoria County ROSC. There is great momentum at this present time. Many future collaborations and events are in the planning process.
