

Peoria County ROSC Council would like to hear from you.

Please consider taking a few minutes to complete this **voluntary, 20 question survey** to help the Peoria County Recovery-Oriented Systems of Care (ROSC) Council better understand access and resource needs for substance use and mental health services in our local communities. The Peoria County ROSC Council is made up of local community organizations and community members.

- Completion is requested by December 1st, 2026. Surveys can be returned to any Trillium Place/Carle Health location.
- All responses are anonymous and no personal identifiable information will be collected.
- Survey results are used to inform statewide planning and improvements by the Peoria County ROSC Council and Illinois Department of Human Services, the funder of this grant program.
