Service Gaps	91

How to Use This Guide

This guide lists social services and community resources in the Westside ROSC Council coverage area, grouped by sector. Each sector starts with a blue heading. Use the Contents page to jump to a sector.

Each listing shows the name, address, phone, website, services and hours when they are available. A line is left out when the information is not available.

The Focus line marks services that appear in more than one sector: MAR-P (medication for addiction recovery provided here), MAR-R (referral to medication), HR (harm reduction), PEER (peer recovery support), MUTUAL (mutual aid or meeting finder), TX (SUD treatment), PREV (SUD prevention) and RR (recovery residence). Use these to find every MAR, peer or harm reduction service across sectors.

Recovery residences are listed by intake phone number only. Street addresses are not printed.

Some services are phone, text or online only, or are delivered in schools and community settings. The Location line says so when there is no street address.

Hours, phone numbers and services change. Call before you visit. A listing does not mean a service has openings, and not every listing has been confirmed with the provider.

Area Hotlines

Name: 988 Suicide & Crisis Lifeline
Location: Remote
Phone: 988
Website: https://988lifeline.org
Services: Call or text for mental health, substance use, or suicide crisis support.

Focus Badge Key

TX (SUD treatment): Substance use disorder treatment: outpatient, intensive outpatient, residential and withdrawal management.

PREV (SUD prevention): State-funded substance use prevention programs.

MAR-P (MAR provided here): Medication for addiction recovery provided on site (such as buprenorphine, methadone or naltrexone), as stated by the program.

MAR-R (MAR referral): Medication for addiction recovery by active referral or warm handoff. The program is not stated to provide it.

PEER (Peer recovery support): Peer recovery support, recovery coaching and drop-in support led by people with lived experience.

MUTUAL (Mutual aid or meeting finder): Mutual aid groups (AA, NA, CA, SMART Recovery and others) and tools that list meetings.

HR (Harm reduction): Syringe access, free naloxone (Narcan), fentanyl test strips and drug checking.

RR (Recovery residence): Recovery residences and sober living. Phone listed for intake only. Street addresses are not printed.

MH (Mental health): Outpatient mental health counseling, crisis services and psychiatric care.

HOU (Housing): Shelter, transitional or supportive housing, housing assistance.

HC (Healthcare): Hospital, health center or clinic.

CA (Community asset): Library, park, senior center or other public amenity.

LEG (Legal help): Legal advice, representation or court help.

Service Gaps

The FY25 Westside ROSC Community Needs Survey, as reported in the FY26 Strategic Plan, points to these gaps. The report does not state the number of respondents or the survey dates, so read the figures as a signal and not as a count of need.

Recovery housing: only 30% of respondents said there is enough sober living in the community. This guide lists 11 recovery residences by phone and 26 housing and shelter listings.

Recovery supports: 80% of respondents want more recovery supports.

Access to care: 46% reported difficulty reaching mental health care and 51% reported difficulty reaching SUD care.

Harm reduction: 39% said access to harm reduction is not difficult. This guide lists 5 harm reduction listings, and naloxone is also available at several libraries and health centers.

Medication for addiction recovery: the survey's MAR figures (53%, 39% and 25%) add to more than 100%%, so they are not used here. This guide lists 14 MAR listings.

Thin coverage in this guide: Portage Park, Belmont Cragin, Hermosa and Ukrainian Village have fewer listings than the rest of the area.
