How to Reset Your "Faculty Success (formerly Digital Measures)" Password

1. Click on or enter the following URL into your web browser's address bar: https://www.digitalmeasures.com/login/govst/faculty/security/password/showForgotPassword

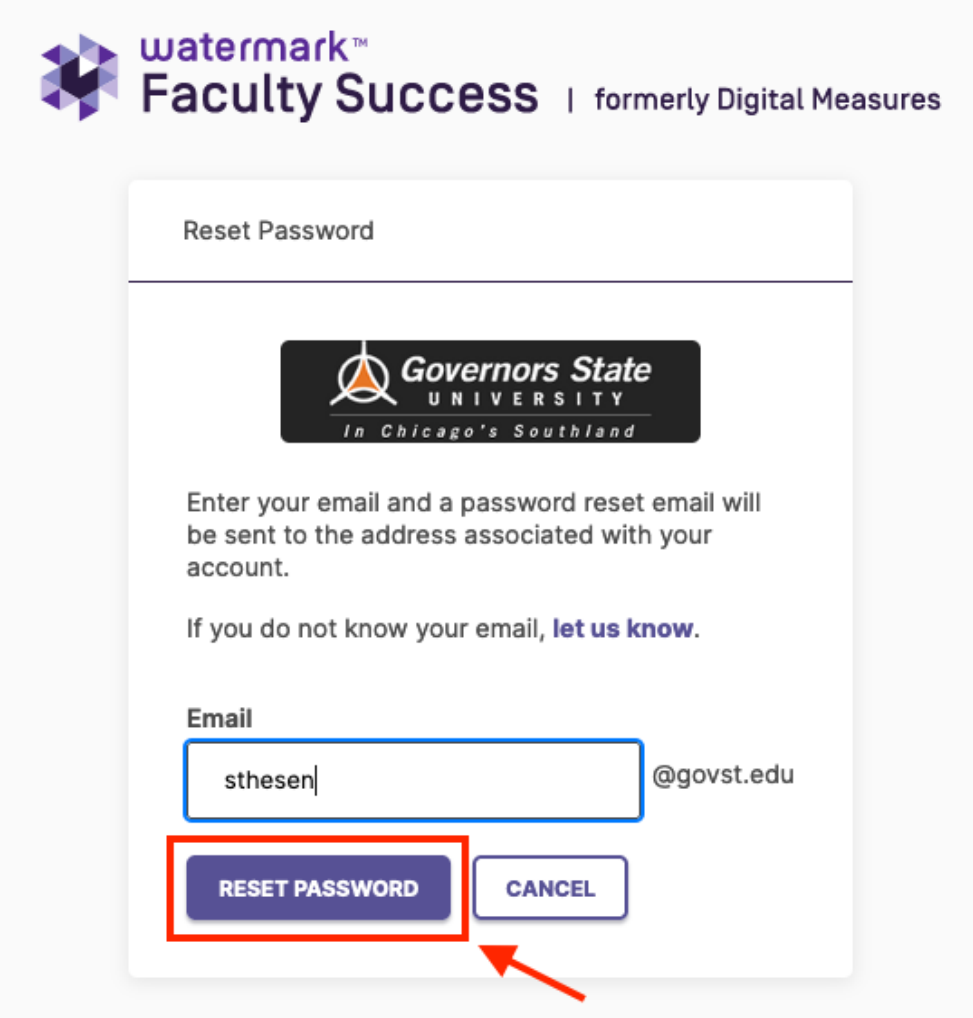

2. The reset password page will appear. Please use the "username" portion of your full GSU email address as your username, because the "@govst.edu" is already present.

Examples:
Use "username", NOT "username@govst.edu"

Blackboard Questions?
Email: blackboard@govst.edu Phone: (708) 534-4115

3. After you type in your “username”, then click the “Reset Password” button.

a. An email will be sent to you with a link. Click that link to set up your password and then log in.
