Key Approvals

- Without objection, the meeting minutes of September were approved.

Announcements

- Discussed the annual ROSC survey and the importance of completing and distributing surveys throughout the community. To date, 80 surveys have been completed. Council members were encouraged to take additional surveys and assist with distributing them to help increase participation.
- The October Recovery Bonfire and Touch-A-Truck event was a huge success in partnership with Bright Futures. Both organizations had participants attend, and the event brought together at least 30 families, if not more. The event provided a great opportunity for families to connect, engage in community activities, and strengthen relationships between community partners.
- Discussed the upcoming November event, Gratitude Game Night, which will provide a safe and welcoming environment for individuals to connect, interact, and build relationships through board games and fellowship. The event will encourage social connection, strengthen community relationships, and provide an opportunity for participants to enjoy one another's company in a supportive setting.

Guest Speakers- Person with lived experience

- Bob shared his personal recovery journey, beginning with his experiences from a young age and continuing through his struggles with addiction, fatherhood, marriage, divorce, and multiple DUIs. He spoke about his path to sobriety and how his experiences have shaped his desire to give back to the community. Today, Bob uses his story and lived experience to help and support others who may feel lost and are facing similar struggles to those he once experienced.
