Accessing Teams Meetings Recordings in Blackboard

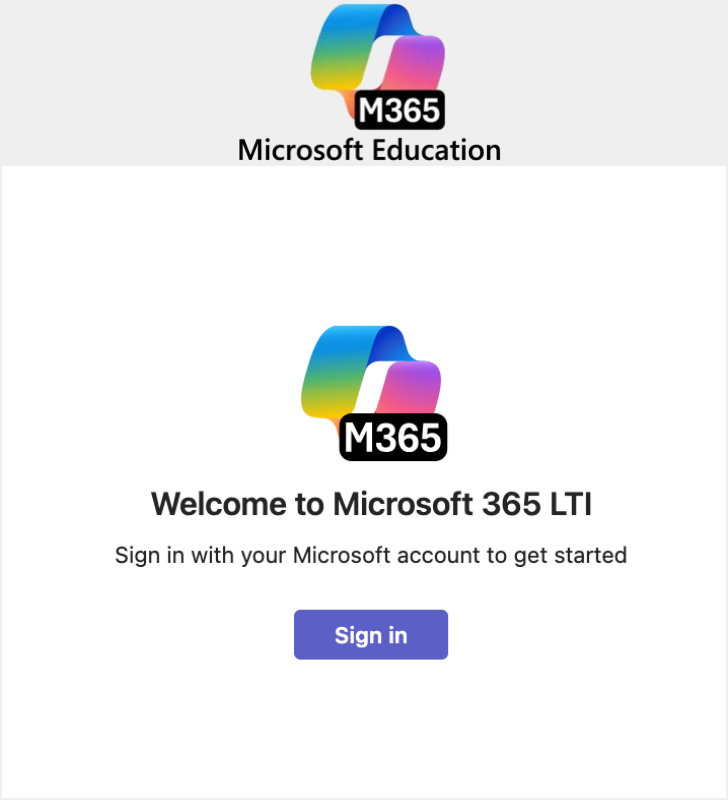

Access content link in Blackboard course:

After signing into the Blackboard course, select the Microsoft Education link.

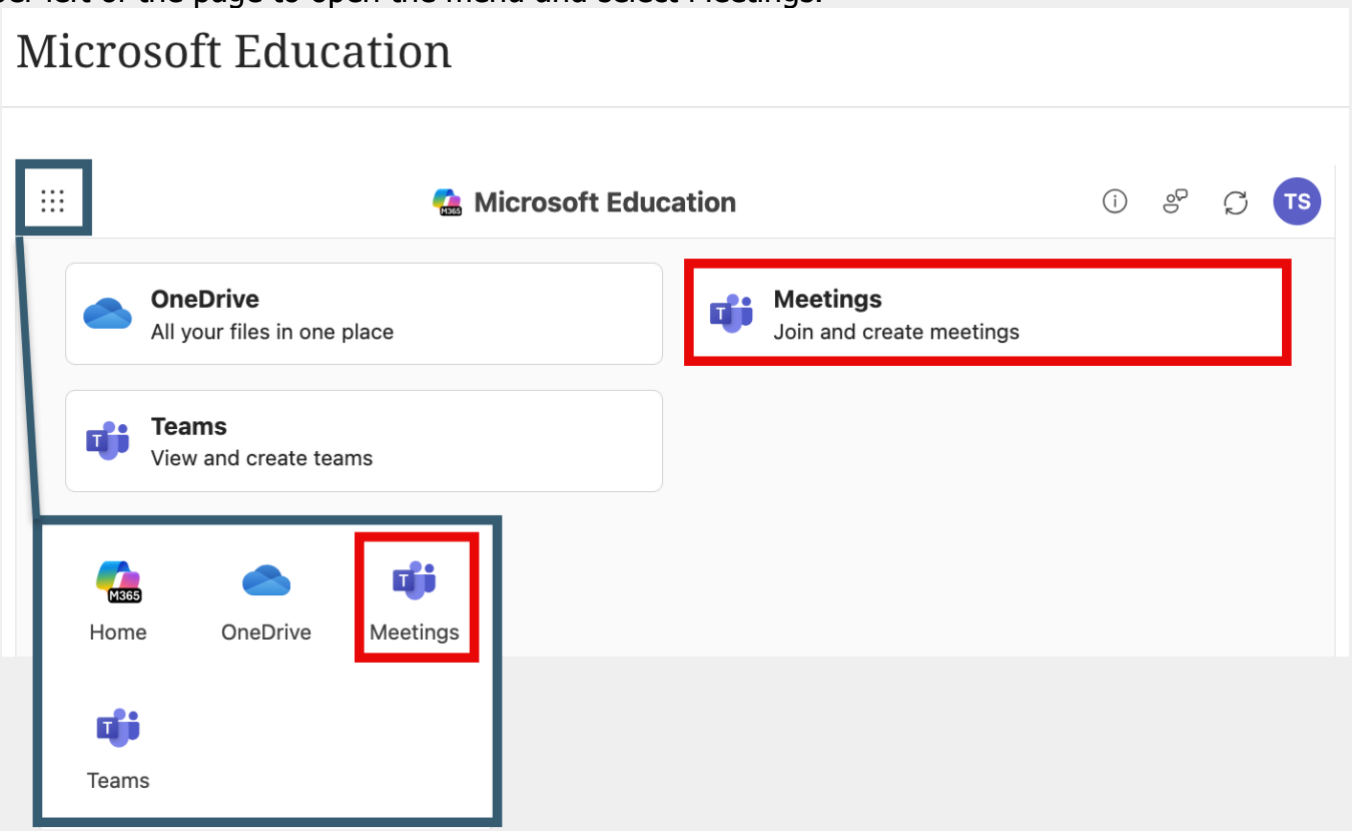

You will need to sign in with your GovState Microsoft account.

Blackboard Questions?
Email: blackboard@govst.edu Phone: (708) 534-4115

Once you are signed in, you should be brought to the Microsoft Education home page. Select the Meetings option. If you are not brought to the Microsoft Education home page, you may select the 9 dotted icon near the upper left of the page to open the menu and select Meetings.

Microsoft Education

Recording:

Once Meetings is open, select the Recordings tab and select the video thumbnail to open the recording. Click the play button to begin the recording.

Note: If you do not see the video within the recording section, your Instructor may have added to Panopto. If you cannot locate the video, please reach out to your Instructor.
