Upload Account Picture

Once you login to Blackboard, select your name in the left navigation menu. Select the pencil icon to edit or add a profile image.

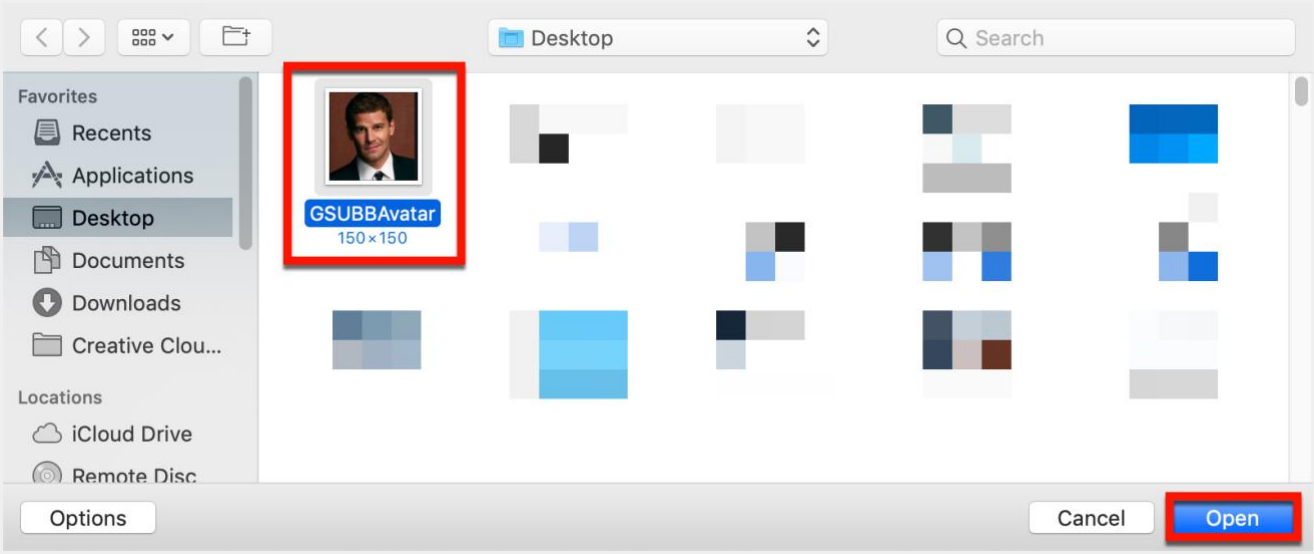

On the Change Profile Picture page, select the Upload new profile picture button.

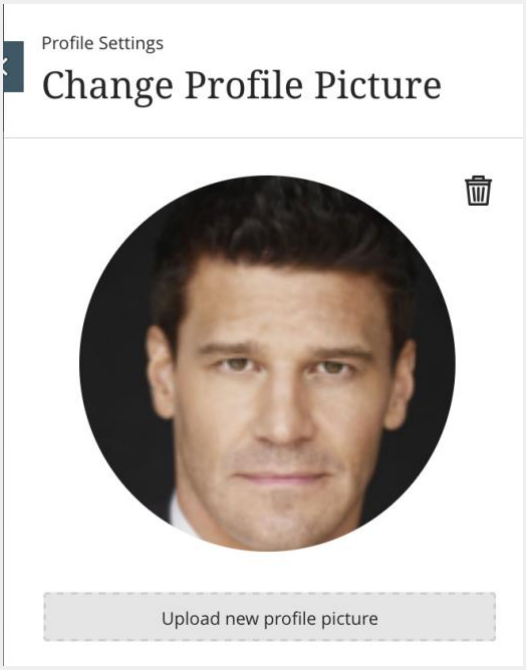

Select the appropriate avatar image from your computer. Select Open.

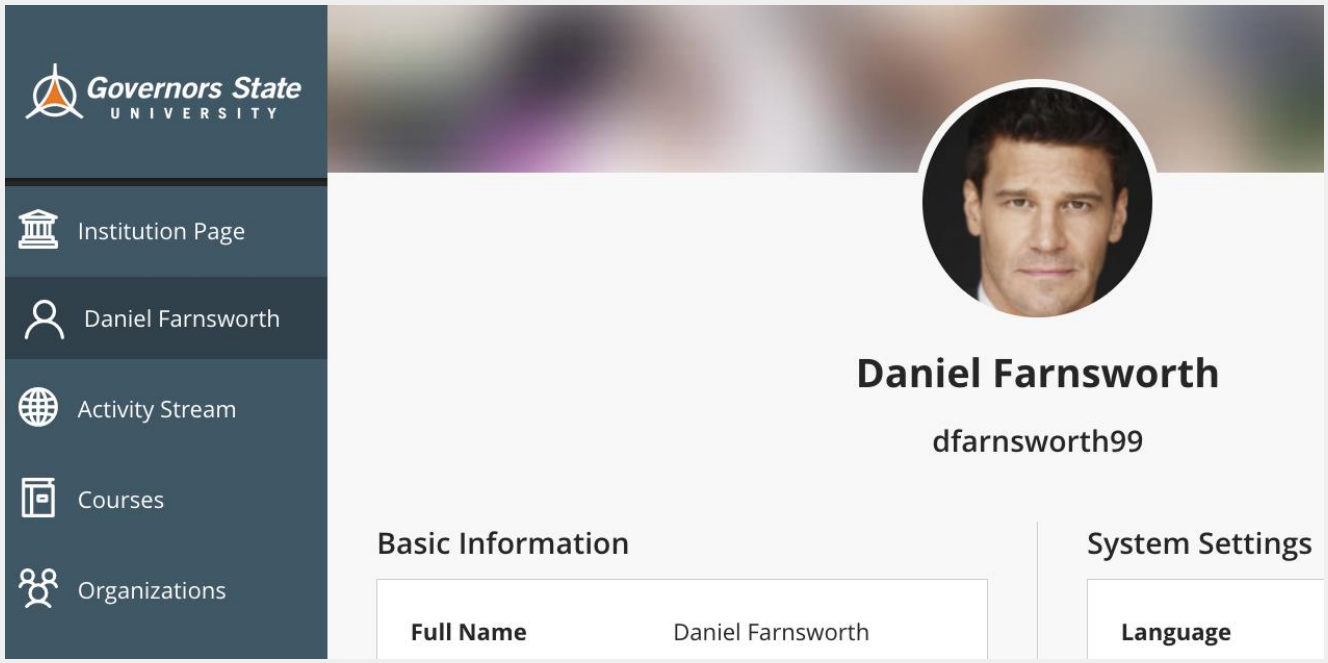

Blackboard Questions?
Email: blackboard@govst.edu Phone: (708) 534-4115

Once the upload is complete, the image will appear in place of the silhouette. You may select the “X” next to “Profile Settings” to navigate back to the Profile page.

After you select the “X” to return to the Profile page, you will notice the Profile page updates with your newly added profile image.
