# course description

The division of Education at GSU is offering a study abroad program in Brazil for both undergraduate and graduate students. The two education programs are collaborating to offer students the option of substituting this class for a study abroad experience in Brazil and the corresponding assignments. There will be approximately twelve students eligible for the program. GSU will be collaborating with Pontifical Catholic University of Parana in the city of Curitiba, Brazil. Students will attend workshops and create projects to present at the university. Additionally, they will visit various centers and schools throughout the city.
