

Ambassadors for theNate

Calling all art lovers! Do you want to learn more about theNate, a world-class sculpture park and the best-kept secret of the South Suburbs? Do you already know and love theNate, and want to share that love with your community? Do you want to have fun while learning something new? If so, we want you!

Help us customize our Ambassadors for theNate pilot program! We are looking to assemble a “think tank” of enthusiastic volunteers to get involved in the development of this new program to train our ambassador-docents who will then help spread the word about theNate, and possibly even learn to give tours of our amazing collection. No prior experience with art necessary!

COMMITMENT: we will meet online/virtually the first Thursday of October and November, initially.

October 1 and November 5

We envision the program running year-round with monthly meetings, but this pilot program will be the two initial meetings.

BENEFITS: be a part of building an exciting new program and gain special behind-the-scenes access to the collection, GSU’s Art Historian Dr. Rebecca Siefert, and the staff of theNate.

Upon completion of the course you will have the opportunity to utilize your area of interest and expertise by:

- Sharing your knowledge by spreading the word about the collection
- Doing a presentation in the communities we serve, and local organizations
- Volunteering at one of our established events
- Helping with fundraising and sponsorships
- Volunteering for a school tour of theNate
