

DOCUMENT NAME:

GENST Enrollment Migration Report as of Fall 2021 Census

Responsible Office:

Institutional Research & Effectiveness

Background/Overview:

Beginning in 2018, the Office of Institutional Research built a report to track the retention and graduation rates of entering fall first-time, first-year students by semester and the majors that these students chose once eligible to do so. This report reflects data as of the Fall 2021 Census, which include the 6-yr Graduation Rate for the 2014 and 2015 cohort. The 6-yr Graduation Rate for the 2016 cohort will be updated mid-October 2022.
