

**Resolution No. 25-34**  
**Approval of Contract in Excess of \$250,000**  
**re Cybersecurity Services Provider**

**WHEREAS,** The Board of Trustees of Governors State University (the “Board” and “University,” respectively) was created on January 1, 1996, by Public Act 89-4 to operate, manage, control, and maintain the University in accordance with the rights, powers, and duties vested by law in the Board;

**WHEREAS,** The Board is comprised of eight members, seven of whom are appointed by the Governor of Illinois with the advice and consent of the Senate, and one of whom is a University student selected by student peers;

**WHEREAS,** The Board is empowered to enter into contracts pursuant to the Illinois Governors State University Act, 110 ILCS 670/15-40;

**WHEREAS,** In accordance with Section V(B)(1) of the Board Regulations, transactions involving the expenditure of \$250,000 or more require Board approval;

**WHEREAS,** The University requires the services of a cybersecurity consultant, which will cost the University up to \$400,000 over the course of the two-year term of the contract;

**WHEREAS,** Interim President Bradford recommends the approval of the contract that is the subject of this Resolution; and

**WHEREAS,** The Board believes approving the agreement that is the subject of this resolution is in the best interests of the University.

Now, therefore, it is:

*Resolved*, that the Board approves and authorizes the University to enter into a contract with Sentinel Technologies for cybersecurity services at a cost not to exceed \$400,000 over the course of two years.

*Resolved*, that the Board directs the University to take all reasonable and necessary steps to otherwise effectuate this Resolution.

**Approved this 16<sup>th</sup> day of June 2025**
