

# CSI 2020

**CHICAGO  
SCULPTURE  
INTERNATIONAL**

A juried members exhibition that will showcase 20 sculptures created by 20 Chicago Sculpture International Members at Governor's State University's Visual Arts Gallery. Artwork selected by Curator, Jeff Stevenson and Co-Curator, Sherri Denault

**July 1 – August 7, 2020**

**Chicago Sculpture International (CSI)** includes over 200 local, national, and international members. Each year, CSI organizes numerous indoor and outdoor exhibitions showcasing contemporary sculpture in Chicago's most vibrant scenes, including Navy Pier, EXPO Chicago, Lincoln Park Zoo, the Elks National Memorial and various art centers, colleges and universities. In collaboration with the Chicago Park District, CSI is proud to bring sculpture to prominent parks and conservatories throughout the city, as well as participate in the now-famous Chicago Tree Project, which gives dying trees a second chance at life as public sculptures.
