Dear Dr. Rekhter,

We are pleased to inform you that the Board of Directors of the Association of University Programs in Health Administration has approved the Governors State University Undergraduate Review Report with the recommendation to continue Full Certified Undergraduate Program status for a period of six years. The program will be due for re-certification in 2026.

Since your program met all criteria, no interim report is required.

If you have any questions regarding your certification or membership, please do not hesitate to contact Mark Ryan, Certification and Assessment Manager, at mryan@aupha.org.

Sincerely,
