Do you understand what an LPC is? _____ Yes _____ No _____ Need more detailed information

“Licensed professional counselors (LPCs) are master’s-degreed mental health service providers, trained to work with individuals, families, and groups in treating mental, behavioral, and emotional problems and disorders. LPCs make up a large percentage of the workforce employed in community mental health centers, agencies, and organizations, and are employed within and covered by managed care organizations and health plans. LPCs also work with active duty military personnel and their families, as well as veterans.” American Counseling Association, 2011.

There are three information sessions held each semester to discuss in detail what the Counseling Concentration and LPC are. Please indicate below if you would like to be contacted regarding the next information session.

_____ Yes please contact me with dates for the next information session.
