

**Knowledge And Skills Acquisition (KASA) Summary Form  
For Certification in Speech-Language Pathology**

The KASA form is intended for use by the certification applicant during the graduate program to track the processes by which the knowledge and skills specified in the 2005 Standards for the CCC are being acquired. Each student should review the KASA form at the beginning of graduate study, and update it at intervals throughout the graduate program and at the conclusion of the program.

The student, with input and monitoring of program faculty, must enter a check mark in column B as each of the knowledge and skills is acquired. It is expected that many entries will appear in the course work and the clinical practicum columns, with some entries, as appropriate, in the "Other" (lab, research, etc.) columns. Please enter the course or practicum number and title and description of other applicable activity.

**I. KNOWLEDGE AREAS**

A	B	C	How Achieved?	
Standards	Knowledge/ Skill Met? (check )	Course # and Title	Practicum Experiences # and Title	Other (e.g. labs, research) (Include description of activity)
<b>Standard III-A. The applicant must demonstrate knowledge of the principles of:</b>				
• Biological sciences		3 hours with "C" or better		
• Physical sciences		3 hours with "C" or better		
• Mathematics		3 hours with "C" or better		
• Social/Behavioral sciences		3 hours with "C" or better		

<p><b>Standard III-B. The applicant must demonstrate knowledge of basic human communication and swallowing processes, including their biological, neurological, acoustic, psychological, developmental, and linguistic and cultural bases</b></p>				
<p><b>• Basic Human Communication Processes</b></p>				
<p>• Biological</p>		<p>CDIS 3600 Anatomy &amp; Physiology of Speech/Hearing</p> <p>CDIS 4300 Neuroscience for Study of CDIS</p> <p>CDIS 7200 Voice and Resonance Disorders</p> <p>CDIS 7400 Articulation and Phonological Disorders</p> <p>CDIS 7500 Child Language Disorders: Early Stages</p> <p>CDIS 7550 Child Language Disorders: Later Stages</p> <p>CDIS 7300 Aural Rehabilitation</p>
