

**GOVERNORS STATE UNIVERSITY
DEPARTMENT OF COMMUNICATION DISORDERS**

Student Self-Assessment

_____ **Midterm** _____ **Final**

Although this is not a graded assignment, this form must be completed and turned in with your midterm and final assessments to the GSU Practicum director. Course grades will be withheld until this form is received. Students should maintain copies of all self-assessments.

Name: _____ **Term:** _____

Course: _____ **Supervisor:** _____

Instructions:

Review the course objectives and competencies listed on your course syllabus. Review the ASHA knowledge and skills standards and the graduate student handbook as well. Reflect on what you have learned from the practicum, relative to these documents. Review the comments from your supervisors and reflect on what your strengths and needs are as you move on from this practicum. Then write a *thoughtful* narrative using the following partial statements as a guide.

Knowledge and Skills

1. Midway through this practicum / After completing this course, I feel confident about ...
2. I am more curious about ...
3. I need to learn more about ...

Professional Characteristics

1. In this course, I demonstrated strength in ...
2. I grew and changed in ...
3. I discovered that I need to ...

Rate yourself in the following areas:

1. Amount of effort applied to this course
2. Use of resources outside of course materials
3. Integration of knowledge/skills from past experiences
4. Follow-up on instructor comments

Supervisor feedback on self-assessment:
