Welcome to the 2021–22 Academic Year! 

As members of the Governors State University community, it is important that we all know what to expect of one another and how we make our shared values come to life every day. Our mission is not a static statement – it is what we live by. Any well-functioning community must have a set of values; this Handbook is meant to serve as a guide not only for our students, but also for faculty, staff, and administrators to ensure that all members of our community are informed about policies, procedures, rights, and privileges.

Our Student Code of Conduct, along with other university policies, will give you clear guidance on both what you can expect from GSU faculty and staff and what we will expect from you. The Student Handbook also contains helpful information, guides, and directories that will make navigation of campus life easier.

If after reading through this Handbook you have questions, please do not hesitate to contact the Office of the Dean of Students in C1310 or at 708.235.7595 or deanofstudents@govst.edu.

We wish you the best this academic year, and remember we are here to help you succeed.

Dr. Cheryl Green, University President
Mr. Corey M. Williams, Associate Vice President for Student Affairs & Dean of Students
Welcome from the Dean of Students!

As your Dean of Students, it is my pleasure to welcome you to Governors State University for the 2021-22 academic year. During your time at GSU, I encourage you to take an active role in your education and our community as a whole. As a member of this community, it is your responsibility to know our policies as they establish a model for civility, care, honesty, and respect on our campus. I ask that you review this Student Handbook and abide by the conduct policies.

The Office of the Dean of Students (ODOS) works with students to advocate and provide access across a wide spectrum of areas. ODOS works closely with university services and community agencies and clears a pathway to success in areas ranging from university policies and procedures to academic performance and personal crises. If you need assistance, I encourage you to contact my office. Here are some of the ways we can help:

- Provide an opportunity for students to share their feedback, questions, or concerns.
- Help students understand and navigate through the university policies and procedures.
- Support students in making decisions related to educational, personal, and other barriers that may impede on the completion of their academic goals.
- Connect students with campus and community resources regarding food and housing needs.
- Provide initial notification to university faculty/staff in the event of a major illness/injury.
- Assist with emergencies that impact a student’s educational experience.
- Consult with the campus community about addressing student behavior, including misconduct, disruptive behavior, students of concern, or students in distress.

I encourage you to explore new ideas and continue to challenge yourself this academic year. I hope to have an opportunity to talk with you and if you see me on campus, please say hello. I am truly delighted that you have chosen to attend Governors State University.

Warm regards,

Corey M. Williams

About the Student Handbook

The policies and procedures in the Student Handbook are an exclusive or comprehensive source of all of the university's policies and procedures. Students are subject to all applicable laws and university policies, rules, and regulations, and are responsible for informing themselves about their responsibilities and obligations. Language in the handbook may differ slightly from official university policies to provide organization and clarity. While there are no substantive changes or procedural implications due to rephrasing, the original policies are available for review at govst.edu/policies, the University Catalog (govst.edu/catalog) and the Governors State University Board of Trustees website (govst.edu/About/Board_of_Trustees). The Office of the Dean of Students can answer questions about interpretation or application of the Student Handbook or the Student Code of Conduct (Policy 4).

Publication & Distribution

To inform members of the campus community about the Student Handbook, the Office of the Dean of Students publishes it online and electronically distributes it annually. Printed copies are available upon request in the Office of the Dean of Students.

Revisions

The Office of the Dean of Students reviews this handbook prior to the start of each academic year. The university reserves the right to revise the handbook at other times effective upon publication so long as there is appropriate notice. Proposed changes to the handbook are welcome from all GSU community members.

FINANCIAL AID

The Office of Financial Aid administers federal, state, institutional, and private sources of aid. This office is located in D1423. Please refer to the Office of Financial Aid website at govst.edu/finaid for the most current and up-to-date information.

Students who have been accepted to Governors State University are strongly encouraged to complete the Free Application for Federal Student Aid (FAFSA) in order to be considered for federal, state, and institutional resources. Funding may be based on financial need or may be based on academic, athletic, or fine arts merit.

The Free Application for Federal Student Aid (FAFSA) is available October 1st of each year.
Financial Aid Definitions

**Free Application for Federal Student Aid (FAFSA)** – application for student aid, such as federal grants, work-study, and loans used to pay for college.

**Cost of Attendance (COA)** – An average estimate of what will cost to attend GSU. It is comprised of tuition and fees, room and board, transportation, books and supplies, and personal expenses.

**Expected Family Contribution (EFC)** – This number is determined by the federal government using the information submitted on the FAFSA.

**Financial Need** – The difference between the student’s COA and the EFC.

**Grants and Scholarship** – is free money to help pay for college. Grants are often need-based, while scholarships are merit, talent and/or athletics based – financial aid that doesn’t have to be repaid.

**Loans** – sums of money students borrow to pay for their educational costs. Loans are part of financial aid and have to be repaid over time. The loans go into repayment if the student drops below half time, or six months after the student graduates. Repayment can be deferred if needed.

**Federal Work-Study** – provides an opportunity for part-time employment to students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work on-campus or off-campus depending on the opportunities available.

Financial Aid Process

1. Apply for a Federal Student Aid (FSA) ID with the Department of Education at studentaid.gov/fsa-id/sign-in/landing. Students and parents of dependent students should both apply for their own FSA ID. If you or your parents have an FSA ID from a previous year (used for you or another sibling), they should reuse that ID. The FSA ID needs to be used every year you apply for financial aid.
2. Complete the FAFSA application at studentaid.gov/h/apply-for-aid/fafsa – GSU school code is 009145.
3. The Department of Education recommends families to utilize the IRS Data Retrieval tool when completing the FAFSA.
4. The Department of Education will process your FAFSA and email you the Student Aid Report (SAR) containing your information.
5. If your FAFSA is selected for verification, you will receive an email to your student email from financial aid listing the items needed to complete the verification process.

Financial Aid Awards

Once your financial aid has been reviewed, you will be awarded and sent an email to your student email stating your award letter is available. The financial aid award package may consist of a combination of grants, scholarships, loans, and/or work-study. Please note: financial aid is awarded with the assumption of full-time status. Students must notify the Office of Financial Aid of all types of scholarships awarded. Scholarships must be considered as a resource in determining the student’s total awarded package. If you have been selected to receive a scholarship for the academic year, please submit a copy of the scholarship letter from the provider indicating the total amount awarded and the academic terms for which the scholarship will be disbursed.

The Office of Financial Aid has an electronic process for you to accept your financial aid award(s). Follow these steps:

1. Log into myGSU.
2. Select Financial Aid, then select My Financial Aid.
3. Review your Financial Aid Award Letter
4. Accept and/or Decline your Financial Aid Awards
   a. Accept Federal Direct Stafford Loans: The following actions must be completed in order to ACCEPT your awarded Stafford Loans and use these funds as payment towards your student account:

Students are limited to 12 semesters (or 600%) of Pell Grant eligibility during their lifetime. You may view your percentage of Pell Grant used by logging into NSLDS. Your ‘Lifetime Eligibility Used’ percentage will be displayed in the ‘Grants’ section.

Students may be eligible to receive additional Pell Grant funding for the summer semester. This allows a student to receive Federal Pell Grant funds for up to 150 percent of the student’s annual Pell Grant for an award year.

State of Illinois Monetary Award Program (MAP)

This is a grant for undergraduate Illinois residents who demonstrate financial need as determined by the information supplied on the FAFSA. Because MAP funding is historically insufficient to meet the demand, a suspension date is typically implemented a few months after the FAFSA application has been made available on October 1st. Students are encouraged to complete the FAFSA application as close to the October 1st date as possible in order to be considered for eligibility.

The State of Illinois MAP Grant is based on enrollment in 15 semester credit hours. This means that you will get 100% of your MAP Grant if you are enrolled in 15 hours. If you enroll in less than 15 hours, your MAP Grant will be prorated based on the number of hours for which you are enrolled.

For example:

- Total semester MAP Grant: $2000
- Number of semester hours: 10
- Eligible MAP Grant award: 10/15 X $2000 = $1333.33

More information on the MAP grant program and updates can be found on the Illinois Student Assistance Commission’s website.

Federal Direct Loans

Governors State University participates in the Federal Direct Loan Program through the U.S. Department of Education. If this is your first Federal Direct Subsidized or Unsubsidized Loan at Governors State University, or you have an expired promissory note, you are required to sign an electronic Master Promissory Note (MPN) and complete Entrance Counseling online at studentaid.gov. This MPN and Entrance Counseling will be in effect throughout your time at GSU.

Student loans are not prorated based on enrollment. However, you must be enrolled at least half-time to be eligible for loans. Failure to stay enrolled at least half time may cause ineligibility for student loans.

Federal Direct Subsidized Loan: This loan is only available to undergraduate students and the Department of Education pays the interest on the loan while you are enrolled in school. Loan repayment begins six months after you graduate or drop below half time. More information about Federal Direct Subsidized Loans can be found on the Federal Student Aid website.

Federal Direct Unsubsidized Loan: The interest on this non-need based loan accrues from the time the loan is disbursed until paid in full. You may pay the interest while you are in school or it will be added to the principal balance of the loan when you begin repayment. Loan repayment begins six months after you graduate or drop below six credit hours. More information about Federal Direct unsubsidized Loans can be found on the Federal Student Aid website.
Federal Direct PLUS Loans

Graduate and Doctoral students or parent/s of a dependent student can apply for this federal loan. This loan is not automatically awarded to students. A credit check is required and the loan amount can’t exceed the student’s COA and must take into account all other financial aid and resources received by the student. Repayment begins 60 days after the loan is disbursed, however, repayment can be deferred. Parents of dependent or Graduate/Doctoral students must complete a Loan Master Promissory Note online at studentaid.gov and turn in a Federal Direct PLUS Loan Request to the Financial Aid Office.

Alternative Loans

Alternative loans may be used as a source of financial aid in addition to scholarships, state, and federal assistance. Before you pursue any private lender loan you should be sure that you have utilized every Federal financial resource available to you. Alternative loans are subject to credit analysis and may require a co-signer. The Office of Financial Aid is unable to provide guidance as to which alternative loan may best meet your needs, however, some of the following factors should be examined:

- **Interest rate** – the interest rates are typically variable.
- **Loan fees** – an origination fee is the amount of money that the lender keeps off the top of the loan proceeds.
- **Loan repayment and deferment options** – some lenders will allow students to defer payments until after graduation, while others require interest payments while in school. Repayment plans may differ as well.

The Office of Financial Aid at GSU uses ELM resources to assist students by making it easier to navigate and filter the list of lenders across a range of data points and compare them side-by-side.

Federal Work-Study

Subsidized by the federal government, Federal Work-Study (FWS) is a need-based financial aid award that allows you to work and earn money. To be considered, you must complete a FAFSA each academic year. Therefore, you must be awarded FWS before you can begin working a FWS job.

The FWS award amount is the maximum amount you may earn through this type of employment during the corresponding award period. You must also maintain satisfactory academic progress (SAP).

Many FWS positions are available in departments throughout campus. The type of work will vary by department.

For more information on the application process, please contact Career Services at 708.235.3974 or send an email to career@govst.edu.

FA Link: Use Aid for Textbooks

Purchase or rent books at the GSU bookstore using financial aid. In order to be eligible you must:

- Have submitted your FAFSA and completed the financial aid process.
- Have received a Financial Aid Award email. This can be viewed in your myGSU portal.
- Have received enough financial aid above and beyond the amount that covers your tuition, fees, and housing (if applicable).
- Have registered for classes for the term for which you wish to purchase books.
- Meet all other financial aid requirements including Satisfactory Academic Progress (SAP), have no prior balances on your student account, and have no other registration holds that would prohibit you from receiving financial aid.

You must remain eligible for financial aid in order to use your financial aid at the bookstore. Before you make any registration changes, be sure to check with The Office of Financial Aid first.

FA Link will be available prior to the first financial aid disbursement of each semester.
Financial Aid and Academic Requirements

A student’s eligibility to receive funds from federal, state, and institutional programs depend on the number of credit hours for which the student initially registers and completes. Financial aid packages are awarded on the basis of full-time enrollment costs, the student should be aware that the award package will be re-evaluated and adjusted if full-time enrollment is not established and maintained. For financial aid purposes, undergraduate and graduate full-time enrollment status requires a minimum of 12 credit hours each semester.

Satisfactory Academic Progress (SAP)

Regulations governing the federal student aid programs require that institutions develop standards of satisfactory academic progress (SAP) for student aid recipients. These guidelines require that we evaluate your progress by all three of the following: the length of time it takes to complete your program of study, the rate of completion, and your cumulative grade point average (GPA). Your academic record is reviewed at the end of each semester, including summer, to ensure you are meeting the SAP requirements.

Maintaining SAP status

Monitoring SAP: Students will be monitored for satisfactory academic progress after grades are posted at the end of each semester. Students working on additional degrees after their first bachelor’s and/or master’s degree will also be monitored for all SAP criteria. Students will be assigned one of the following SAP statuses: Satisfactory, Warning, Suspension, Probation, or Continued Probation. Once this process is complete, students who are calculated to be on Warning or Suspension will be notified via email indicating the status of their satisfactory academic progress. Additionally, all students can monitor their SAP status online via the myGSU student portal.

Financial Aid Warning: Students who fail to meet the minimum cumulative GPA and/or fail to complete a minimum percentage of classes are placed on financial aid warning for the following term. Students placed on warning remain eligible for financial aid for one semester. At the end of the warning period, students will be reviewed for SAP compliance. Successfully complying with SAP standards will result in the continuation of financial aid for the following term. Failure to achieve the required cumulative GPA and/or percentage of completion will result in suspension of financial aid eligibility for the following term.

Financial Aid Suspension: Students who were previously given a Financial Aid Warning and failed to meet the conditions of the warning which are to maintain a minimum cumulative GPA and complete a minimum percentage of classes are placed on suspension. Students who are placed on suspension are no longer eligible to receive state or federal financial aid. Suspension status for financial aid will remain in effect until an appeal is submitted and approved or all SAP standards are met. Students who are ineligible for financial aid funding due to SAP Suspension may still attend GSU.

SAP Appeals Process

SAP Appeal: Students who are suspended for not meeting the satisfactory academic progress standards may appeal for reinstatement of financial aid eligibility for one semester, if they have extenuating circumstances which are generally beyond their control such as a death in the family, serious illness or injury of the student. Completing a SAP appeal does not guarantee approval. For more detailed information, refer to the SAP Appeal Instructions at: govst.edu/Admissions/Financial_Aid/SAP/.

Financial Aid Probation: Students who are suspended and filed a successful appeal for financial aid reinstatement will be awarded aid for one semester on Financial Aid Probation.

Continued Probation: As long as the student continues to make progress as identified by the academic plan the student will remain eligible for financial aid on continued probation. Students will be notified of their status at the end of each semester or when they first apply for financial aid.

Appeal Denied: Students whose appeal are denied will have all aid cancelled and will be responsible for paying for their classes or dropping them within the required refund period. Your classes are not automatically dropped when your financial aid is cancelled. If you register, pay your tuition and fees out-of-pocket and successfully complete all your courses you can re-appeal at the completion of the term for re-consideration. If approved your financial aid will not be retroactive, it will be reinstated for future terms at GSU.

Reinstatement of Eligibility: Students who are on financial aid suspension, can regain eligibility by raising their cumulative GPA to 2.0 (undergraduate students) or 3.0 (graduate and doctoral students), and/or raising their overall completion rate to 67 percent or above.

A university community member who has violated the statement may be subject to disciplinary action, up to and including separation from the university, consistent with established disciplinary procedures. Non-compliant behavior by contractors, vendors, or visitors may lead to removal from the campus, at the discretion of Governors State University.

**Campus Safety Information (Clery Act)**

Establishing and maintaining a safe and secure environment for our staff, students, and visitors is of primary importance to Governors State University. The Clery Act (Student Right to Know and Campus Security Act of 1990) is a federal mandate that requires that all current students and employees receive information on policies and procedures involving campus security, the reporting of criminal activity or other emergencies, and the enforcement authority of security personnel.

As part of our commitment to campus safety and in compliance with the Clery Act, a hardcopy of the Campus Security Report is available in the Department of Public Safety (DPS), located in C1375, and is also published on the Campus Right to Know website: [govst.edu/Campus_Life/Campus_Safety/Campus_Right_to_Know](govst.edu/Campus_Life/Campus_Safety/Campus_Right_to_Know).

**Emergency Management and Notifications**

The Emergency Management Plan outlines strategies to protect the life and safety of university students, faculty, and staff, and to preserve university property and assets in the event of an emergency. The Emergency Management website [www.govst.edu/emergency](www.govst.edu/emergency) is a resource for information on how to prepare for emergencies and the Safety Booklet [www.govst.edu/take-action/](www.govst.edu/take-action/) details how to “Take Action” in the event of campus emergencies, including but not limited to, fire, weather-related emergencies, and acts of violence.

Governors State University notifies the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on any campus. GSU Alerts sends notifications regarding emergencies to students via cellular and landline phones, email, social media, and more. Students should update their contact information in their myGSU portal to ensure receipt of emergency notifications.

Emergency information and planning resources are available here [govst.edu/emergency](govst.edu/emergency).
MISSING RESIDENTIAL STUDENT NOTIFICATION

Governors State University strives to offer the safest learning environment for all members of the campus community. The Higher Education Opportunity Act of 2008 requires all institutions of higher education to establish a missing student notification policy for students that reside in on-campus housing. The Act requires such institutions to ensure that on-campus residential students have a process for which they can register confidential contact person information as well as procedures for implementation of this policy. For more detailed information, please refer to the University Housing Handbook (govst.edu/housinghandbook) or visit govst.edu/housing.

Concealed Carry

The Concealed Carry policy was developed in response to the Illinois Firearms Concealed Carry Act, 43 ILCS 66, which prohibits anyone from knowingly bringing a firearm onto property owned or controlled by an institution of higher education. The Act also authorizes GSU to restrict persons from carrying concealed firearms onto campus property, including university vehicles, to regulate student, employee, or visitor misconduct or violations of regulations, and to establish regulations for the storage and maintenance of firearms on university property.

The policy expands the restriction of firearms and includes weapons that shoot a projectile, are explosive, or are designed or traditionally used to inflict harm, and includes threatening, intimidating, or bullying actions in the restricted activities. It also places restrictions on the movement and storage of firearms or weapons in privately owned vehicles on university property. For more information, please see the Concealed Carry policy (govst.edu/campus-safety/) or contact the Department of Public Safety in C1375 or at 708.534.4900.

Title IX and Sexual Harassment

Governors State University (GSU) is committed to maintaining a community in which students, faculty, and staff can work and learn together in an atmosphere free of all forms of unlawful discrimination and harassment, including sexual and gender based misconduct. Such misconduct violates the dignity of the individual and the integrity of the university as an institution of higher learning, and thus, will not be tolerated at GSU.

Title IX is the comprehensive federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity. For more information about Title IX and definitions of sexual misconduct, review the Title IX and Sex Anti- Discrimination, Harassment and Retaliation Policy (Policy 78, govst.edu/titleix). Prohibited conduct includes, but is not limited to: sexual harassment, sexual assault, domestic violence, dating violence, and stalking.

Consistent with our legal responsibilities and institutional values, the university is committed to taking all appropriate steps to eliminate sexual misconduct, prevent its recurrence, and address its effects. The university encourages all members of our community to participate in the process of creating a safe, welcoming and respectful environment on campus.

TITLE IX COORDINATOR

If you experience sexual misconduct or know someone who has, we encourage you to report it to the Title IX Coordinator so that we can help create a university community free of any such conduct.

**Demonstration and Public Protest Policy**

Consistent with principles of academic freedom and academic responsibility outlined in the Governors State University Board of Trustees Governing Policies, the purpose of the Demonstration and Public Protest Policy is to provide necessary resources to support the exercise of constitutional rights provided by the First Amendment. Additionally, the policy is intended to provide for the safety of all persons and property associated with the planned or spontaneous act of demonstration or protest.

To secure assistance in planning and obtaining university facilities and to protect the rights of all members of the university community, groups are encouraged to register demonstrations with the University Events office at least two business days before the event. The University permits demonstrations, marches and non-university affiliated speakers without prior registration provided no sound amplification equipment is utilized and members of the university community not participating in the demonstration may proceed with their normal activities.

The Demonstration and Public Protest Policy is available at [govst.edu/policies/](http://govst.edu/policies/).

Littering the remains of tobacco products or any other related waste product on campus property is further prohibited.

The purpose of the Smoke-Free/Tobacco-Free Campus Policy is to provide a healthy environment that promotes and encourages the health, well-being, and safety of students, faculty, staff, and visitors at Governors State University by minimizing the negative effects of secondhand smoke, to improve safety, and to encourage a more sustainable environment. For more information, please review the GSU Smoke-Free/Tobacco-Free Policy at govst.edu/smokefree.

Access Services for Students with Disabilities (ASSD)

Under the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, Governors State University must provide reasonable accommodations to qualified students with a disability.

ASSD provides academic assistance to students and works closely with faculty to facilitate access in the learning environment. ASSD provides students with temporary or permanent disabilities, reasonable accommodations, and services in compliance with the Americans with Disabilities Act.

ASSD assists in creating an accessible environment of educational opportunities for students with documented disabilities. Legally mandated access and accommodations are available to all qualified students who self-identify with ASSD. Students must provide documentation by a qualified professional that can verify the functional impact of the disability as well as recommendations for appropriate accommodations.

The information provided by students is voluntary and confidential. For more information and/or to arrange for accommodations, please contact ASSD at:

Campus Location: B1215, inside the Student Success Commons

Mental Health Contact

Under the Student Optional Disclosure of Private Mental Health Act (110 ILCS 74/), students may designate an individual over the age of 18 to receive disclosures of certain private mental health information. Disclosure of a student’s mental health information to a designated person may be made if a physician, clinical psychologist, or qualified examiner (i.e., clinical social worker) employed by the university determines that a student poses a
clear danger to themselves or others. If you wish to designate a person that would receive certain private mental health information, please complete the Student Optional Disclosure of Mental Health Contact Information Form on the myGSU portal. For more information, visit govst.edu/counseling-and-wellness/.

**Alcohol and Other Drugs**

The health and well-being of GSU students, faculty, and staff are critical components of the overall health of our university community. Consequently, Governors State University seeks to maintain a campus environment that is free from the illegal use of alcohol and other drugs. Consistent with its mission as a public institution of higher education, the university is committed to educating the students, faculty, and staff on the dangers of alcohol and drug abuse, and to establishing standards of conduct that maintain a campus environment in which such abuse is prohibited. These standards are following the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Campuses Act of 1989.

In compliance with the DFSCA, the Counseling and Wellness Center authors a biennial report of institutional policies and practices that includes the effectiveness and the consistency of the enforcement of sanctions. The biennial report is published each Fall in even-numbered years and focuses on the previous two academic years (i.e., 2018-19 and 2019-20).

GSU students should comply with local, state, and federal laws related to the use of drugs, alcohol, and crimes of violence. The Student Code of Conduct details expectations for students' behavior regarding alcohol and drugs as well as possible sanctions for violations of these policies, which include disciplinary sanctions and educational programs.

**RECREATIONAL CANNABIS**

Recreational cannabis, while legal in Illinois, is not legal under federal law. Possession, use, manufacture, distribution, or sale of any controlled substance, including cannabis, or drug paraphernalia is prohibited on university property and at any university-sponsored activity. There are no medical exemptions regarding cannabis use on campus.

**HEALTH RISKS**

The abuse or illegal use of alcohol and the illegal use of controlled substances can seriously injure the health of employees and students, adversely impair the performance of their duties and their academic achievements, and endanger the safety and well-being of fellow employees, students, and others.

Substance abuse may involve not only controlled substances and illegal drugs but also alcohol and other substances that pose a health risk. When drugs are combined, their negative effects on the mind and body are often multiplied beyond the effects of the same drugs taken singly, which can be deadly.

**SUPPORT SERVICES**

The Counseling & Wellness Center provides counseling and substance use assessments designed to assist students in examining their use of alcohol and/or other drugs in a judgment-free and confidential environment. An assessment will provide students with a structured opportunity to assess their own risk, identify potential changes that could work for them, and help them to reduce their risk for developing future problems. Students may also be referred to appropriate community treatment programs for a more in-depth assessment and treatment if required. Certain alcohol, drug, and/or violent crimes may be referred to public safety.

**Medical Amnesty (Good Samaritan)**

The health and safety of each student are important to GSU. The Office of the Dean of Students recognizes that potential disciplinary action may deter students from seeking medical assistance for another student or themselves. As a university, we support and encourage all students to reach out for assistance in the case of a medical emergency or when they see others in need.
Under the Medical Amnesty practice, students are encouraged to be active bystanders and respond to potentially risky circumstances (such as alcohol or drug intoxication) without consequence from the university. A student who makes an effort to obtain medical assistance will not face formal disciplinary action for possession or use of alcohol (under 21) or other drugs so long as there are no other violations of the Student Code of Conduct. A student may still be required to meet with the Office of the Dean of Students to discuss the incident.

Behavior that violates local, state, and/or federal laws are still subject to criminal charges.

For medical assistance, contact the Department of Public Safety (DPS) at 708.534.4900 or dial 911. All students who reach out for assistance must self-identify so that the university can recognize your amnesty.

**Religious Observances**

Governors State University will not discriminate against students for observing religious holidays and will reasonably accommodate the religious observances of individual students regarding admission, class attendance, as well as the scheduling of examinations and academic work requirements. It is the responsibility of the student to notify (in writing) the GSU administrator/faculty member involved at least three class periods in advance of the date of the religious observance. Accommodations considered unreasonable are those which would necessitate the modification of academic standards or create an undue hardship on the University or its staff. If students feel they have been discriminated against, a student may file a grievance following the procedures outline in the Student Grievance Policy (Policy 5). Reasonable Accommodation for Students’ Religious Observances (Policy 38) is available at govst.edu/policies.

**Student Absence Notification to Faculty**

A student may request faculty notification for a documented absence of 3 or more days due to:

- Personal prolonged illness or injury;
- Life-threatening or serious illness or injury of an immediate family member;
- Death of an immediate family member;
- Emergency work as defined in the Volunteer Emergency Worker Job Protection Act*;
- Compliance with a valid subpoena, jury duty, or other legal matters such as citizenship or naturalization processes;
- Significant and compelling circumstances beyond a student’s control such as an act of nature that destroys a student’s primary residence.

Absence notification is not provided in advance or during an absence and requests must be made within 10 business days after a student has returned to classes.

Absence notification is intended to provide faculty with verified information that they may use to determine whether or not to excuse the absence and/or permit late or make-up work. Absence notification neither guarantees that the absence will be excused nor ensures that late or make-up work will be permitted. This authority rests solely with individual instructors.

To make a request please go to: govst.edu/studentabsence

**Emergency / Medical Leave of Absence**

A student may request an emergency or medical leave when extraordinary circumstances, such as a serious illness, injury, or hospitalization prevent the student from continuing classes. The severity or duration of the problem must be such that it would not be reasonable to expect the student to be able to make up the missed work. The Emergency / Medical Leave process applies to both physical and mental health emergencies as well as military deployment. Students requesting leave for military deployment are required to contact Veterans Services.
An emergency or medical leave is “all or nothing” and it is not possible to receive leave from individual classes while remaining enrolled in other classes. A student may withdraw from courses before the published withdrawal date. After the published withdrawal date, students may submit a late withdrawal request to the Registrar for withdrawal from single or multiple classes.

Options for students with medical concerns, including the emergency / medical leave process, are online at govst.edu/emergencyleave.

**Volunteer Emergency Worker**

Consistent with the Volunteer Emergency Worker Higher Education Protection Act (110 ILCS 122), GSU will provide reasonable accommodations for any student who is absent from class due to the performance of their duties as a volunteer emergency worker. The Volunteer Emergency Worker Job Protection Act defines a volunteer emergency worker as a volunteer firefighter, emergency medical technician, ambulance driver or attendant, or other first responders.

If an absence is the result of a student’s documented performance of emergency volunteer work, an instructor must accommodate the absence within reason. A student who believes they were unreasonably denied this accommodation may seek redress through the Student Grievance Policy (Policy 5). *The Volunteer Emergency Worker Policy (Policy 67)* is available at govst.edu/policies.

**Late Course Withdrawal**

Students may withdraw from courses using their myGSU portal through the published withdrawal date per the Withdrawal Policy (6). If a student wishes to withdraw after the published date, they must submit a late withdrawal request to the Registrar (govst.edu/withdrawing) by the last day of the current term/semester. Students who are denied a late withdrawal may submit a written appeal to the Office of the Dean of Students as outlined below.

1. **Filing an Appeal:** To appeal, the student must submit a one-page written statement explaining why the request should have been approved and include any additional supporting documentation within five business days to the Office of the Dean of Students (deanofstudents@govst.edu).

2. **Review of Appeal:** The Office of the Dean of Students will review the appeal information to make a decision. The designated individual responsible for reviewing the appeal will determine if a meeting with the student to discuss the appeal is necessary or if there is sufficient information provided within the written appeal to make a decision.

3. **Notice of Decision:** Students will be notified of the decision within five business days of submitting an appeal. If the appeal is approved, the associated departments may need 10 business days to make changes to the student’s account. The decision of the Office of the Dean of Students will be final and binding.

**Student Evaluation of Instruction (SEI)**

Students have the right to evaluate the effectiveness of the instruction they received using a university-wide Student Evaluation of Instruction (SEI) process after each term. Information about the SEI process is online at govst.edu/sei/.

**Complaints & Grievances**

Complaint and grievance procedures have been established to foster open communication and ensure that Governors State University uses student feedback to continuously improve.
COMPLAINT VS. GRIEVANCE

A complaint is a general concern about an action, practice, or decision within the control or responsibility of the university. A student may submit a complaint to provide general feedback to improve the overall student experience. Typically, a student submitting a complaint does so for the university's continuous improvement and is not seeking a personal remedy or resolution. Complaints may be submitted anonymously.

A grievance is a matter to be formally investigated. A student may file a grievance if they believe there has been a university error that cannot be resolved informally or allegations of discrimination or harassment. Generally, a grievance will either be academic or non-academic:

- **Academic Grievances** include the issuance of final course grades, academic advising, and other academic-related matters. Academic grievances are managed by the respective College, Library, or Undergraduate Academic Advising Center.

- **Non-Academic Grievances** include, but are not limited to issues regarding registration, financial aid, and other non-academic related matters. Non-academic grievances are managed by the Office of the Dean of Students, except for the following:
  - Discrimination based on race, color, national origin, religion, gender, ancestry, age, sexual orientation, marital status, disability, citizenship, unfavorable discharge from military service, or veteran status, may be filed under the Anti-Discrimination and Harassment Policy (Policy 52).
  - Sexual Harassment under the Title IX & Anti-Sex Discrimination, Harassment, and Retaliation Policy (Policy 78).
  - Decisions related to student conduct, emergency / medical leaves, late withdrawals, satisfactory academic progress, or any other process that grants a student the right to appeal must be filed following the appeal procedures outlined in the appropriate process.

Academic and non-academic grievance procedures are detailed below. “Days” refers to university business days (Monday – Friday, 8:30 a.m. – 5 p.m.) excluding holidays or other university closures unless otherwise stated (i.e., calendar days). In calculating timelines, the day a document is filed is “day zero.” The following day is “day one.” For more information, refer to the Student Grievance Policy (Policy 5, govst.edu/policies) and Dean of Students' website govst.edu/studentcomplaints.

Community Standards

The Community Standards program, coordinated by the Office of the Dean of Students, strives to promote a safe and secure environment while upholding the rights of all community members. The program promotes student learning and development as well as a campus culture of respect and responsibility. We encourage a community of acceptance and accountability by creating processes to resolve conflict consistent with university policy.

Community Standards is responsible for administering the Student Code of Conduct (Policy 4), which is the primary policy used to outline the university’s expectations for student behavior. Sections Four and Five detail the administrative procedures used to address student conduct and/or the conduct of registered student organizations.

GOALS OF THE COMMUNITY STANDARDS PROCESS

- Foster a safe and secure environment.
- Support the university’s educational mission with out-of-class educational opportunities that lead towards more mindful decision-making and reinforce concepts of personal accountability and healthy community membership.
- Maintain an educational system that provides students with the opportunity to learn about themselves, others, and about being a student in good standing at Governors State University.
- Promote the core values of civility, integrity, responsibility, and social justice.

General Information

AUTHORITY & JURISDICTION

The Office of the Dean of Students’ Community Standards program has primary responsibility for resolving matters of non-academic student misconduct. Faculty and academic colleges have primary authority for resolving academic misconduct. The Dean of Students or designee shall be responsible for all administrative details involved in non-academic student conduct and academic misconduct, when requested by faculty/academic colleges.

The Student Code of Conduct is applicable to misconduct both on- and off-campus, including university premises and university-sponsored activities, and through the use of any electronic media. Online postings such as blogs, web postings, chats, and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of misconduct if evidence of policy violations is posted online. All students and registered student organizations are expected to follow all relevant policies and procedures listed within the university policy directory and their respective program of study.

DEFINITIONS

1. University Premises are buildings or grounds owned, leased, operated, controlled, or supervised by the university.
2. University-Sponsored Activities are all university-sponsored educational programs and services; extracurricular programs, events, or functions (including religious, service, leadership, social, recreational, and athletic) administered or coordinated through the university or one of its schools, departments, or approved organizations; as to each whether occurring on or off university premises.
3. **University Community** includes all persons associated with the university as students, employees, agents, trustees, volunteers, contractors (including employees or agents of contractors), or members of the public lawfully in attendance at a university activity or present on university premises.

4. **Student** is a person currently enrolled in a university course, program, or activity, including without limitation, all persons taking courses at the university, both full-time and part-time, pursuing undergraduate or graduate studies in any university school/college or program. For individuals who become subject to the conduct process while enrolled, their status shall continue until all proceedings have concluded. If an active or continuing student is not registered for classes at the time of the incident, a hold may be placed on the student's account to prevent course registration until the case is resolved.

5. **Respondent / Responding Student** is the individual who may have violated the university's Student Code of Conduct.

6. **Complainant / Reporter** is the individual who has reported or brought forth the alleged violation(s).

7. **Student Organization** is a group of persons who have complied with university requirements for recognition as established by the Center for Student Engagement and Intercultural Programs.

**VIOLATIONS OF THE LAW**

When students violate a university policy, they are subject to disciplinary action by the university whether or not the conduct violates the law. When a student is subject to allegations that may violate federal, state, and/or local laws, the university may simultaneously and independently investigate and address potential conduct code violations. The university conduct process shall proceed notwithstanding any criminal or civil complaint that may arise from the same incident.

**OTHER DISCIPLINARY PROCEDURES**

The Office of the Dean of Students may work with other appropriate offices to address any conflicts associated with concurrent processes to address the same behavior. Students who are athletes, leaders, employees, or hold other relationships with the University, and whose behaviors violate the Student Code of Conduct, may also fall within the jurisdiction of another University policy or process associated with that relationship. Likewise, employees who enroll as students may be held accountable for behavior that falls under the Student Code of Conduct in addition to any action they may be subject to as an employee.

*Sexual Misconduct and Title IX*

Allegations of sexual misconduct will be referred to the Title IX Coordinator for an initial assessment. Formal complaints alleging conduct that meets the definition of sexual harassment under Title IX will follow the grievance procedures outlined in Policy 78 and the corresponding procedure manual. All other allegations of discrimination, harassment, and/or retaliation based on an individual's actual or perceived sex, gender, gender identity, gender expression, and/or sexual orientation will be addressed through the Student Code of Conduct described in this handbook.

**STUDENT STATUS AND REGISTRATION HOLDS**

A hold is an administrative notation on a student’s account that prevents the student from registering for classes, dropping or adding courses, and/or obtaining transcripts. A hold may be placed on a student’s account when a student has failed to complete a sanction by the deadline, failed to attend a required meeting with the Office of the Dean of Students, or was not currently enrolled when the alleged violation was reported.

A student charged with violating policies may not avoid the conduct process by withdrawing from courses and/or the university. Student conduct proceedings may continue as described in this handbook without the student’s participation or a hold may be placed on the student’s account.

**PRIOR CONDUCT OR CRIMINAL HISTORY**

The University requires students to disclose criminal or disciplinary history on their application for admission and application for University Housing. The university does not use criminal or disciplinary history in admissions decisions but may restrict students from living in on-campus housing. Submitting false information on an application for admission or on-campus housing may result in cancellation of an admissions decision or housing assignment, and university disciplinary action.
GUEST BEHAVIOR

Students and their guests are expected to follow the rules and regulations defined in the Student Code of Conduct and University Housing Handbook. Students may be held responsible for the actions of their guests that violate the Student Code of Conduct, including restitution (payment) for property damage.

Any actual or attempted unauthorized use of electronic or other devices to make an audio, video, or photographic recording of any person without their prior knowledge or their consent is prohibited. This includes, but is not limited to, recording when the person or persons being recorded have a reasonable expectation of privacy (i.e. restroom, locker room, residential room); when such recording is likely to cause injury or distress; or when a recording is shared without the consent of those that were recorded.

24. Unauthorized Use. Unauthorized possession, use, duplication, or other abuse of university trademark, materials, equipment, or documents, including, but not limited to keys, identification cards, computer technology, and other property.

25. Violation of Other University Policy. Violation of other published university policies or rules, including all University Housing policies.

26. Violation of the Law. Violation of any federal, state, or local law.

27. Weapons. Illegal or unauthorized possession of firearms, explosives, other weapons, or dangerous substances on university premises or the use of any item, even if legally possessed, in a manner that harms, threatens, or causes fear to others.

ACADEMIC MISCONDUCT

Violations of academic honesty include, but are not limited to cheating, plagiarism, or knowingly assisting other students to engage in such conduct. Additional details are found in Academic Honesty (24) and Fair Use of Copyrighted Works for Education and Research (62) policies. Individual instructors, department/division chairs, and/or college deans may request that the Office of the Dean of Students retain copies of academic misconduct cases for record-keeping purposes only.
Reporting Student Misconduct

The Office of the Dean of Students encourages students and any other member of the university community to report violations of the Student Code of Conduct by filing a formal report. A report is the written record of the information brought forth regarding the alleged violation(s) of the Student Code of Conduct.

RESPONSIBILITY TO REPORT VIOLATIONS

Although other policies and procedures may exist to address student misconduct, the following matters must be referred to the Office of the Dean of Students for consideration of formal Student Conduct proceedings (either instead of or in addition to other applicable policies or procedures):

1. Behavior that poses an imminent risk to the safety of the student or any members of the university community;
2. Serious infractions of the Student Code of Conduct including, but not limited to: the destruction of property; possession of weapons; bomb threats; use, sale, or possession of controlled substances; or violations of local, state, or federal laws;
3. All incidents of alleged sexual misconduct, which include sexual assault, domestic violence, stalking, and dating violence.

SUBMITTING A REPORT

Report alleged misconduct as soon as possible after the incident occurred. A report should describe what happened, the alleged violation(s) of the Student Code of Conduct, and identify the individuals involved in or witness to the incident. Additional materials that support the alleged misconduct may be included (e.g., photos, written correspondence, copies of emails and/or text messages). If the report does not contain adequate documentation, the Office of the Dean of Students may contact you requesting additional information or clarification regarding the incident.

In some instances, anonymous reporting is available but may limit the university’s ability to take meaningful action. The Office of the Dean of Students reserves the right to initiate a case without a formal complaint and to investigate anonymous report.

False Reports

The University considers the intentional filing of a false report as a serious matter. It is a violation of the Student Code of Conduct to make an intentionally false report.

REVIEWING REPORTS

The Office of the Dean of Students reviews reports Monday – Friday between 8:30 – 5 p.m. when the university is open. A report may be processed in one of the following manners:

A. **Case Not Referred:** If there does not appear to be credible or sufficient information to suggest that a violation occurred, the report will not move forward through the formal Student Conduct process. The report and any information gathered will be kept to document that the situation was reviewed.

B. **Informal Response:** If the behavior described is concerning, but does not appear to be a violation or falls outside the jurisdiction of the Student
Code of Conduct, there may still be an institutional response without the initiation of the formal Student Conduct process. For example, the student may be asked to meet with a staff member to discuss the incident or participate in a mediated conversation.

C. **Referral to Academic Colleges:** Reports alleging a violation related to academic honesty that are submitted by someone other than the instructor of record will be referred to the academic college.

D. **Community Standards Review:** Reports alleging a violation of non-academic conduct policies will be reviewed by Community Standards and referred for a conduct hearing.

E. **Referral to University Department:** Community Standards may determine that the case should be handled—instead of or in addition to Community Standards—by another office (e.g., University Housing, Center for Student Engagement and Intercultural Programs).

F. **Referral to Title IX Coordinator for Investigation:** If the conduct described in the complaint suggests a possible violation of the Title IX and Sex Anti-Discrimination, Harassment and Retaliation Policy [govst.edu/titleix](http://govst.edu/titleix), the information will be submitted to the Title IX Coordinator for review.

G. **Request for a Delayed Process:** Requests for a delay related to the Student Conduct process must be submitted in writing to the Office of the Dean of Students and will be considered only in extraordinary circumstances.

**Notice to the Student**

All communication regarding the conduct process will be sent to a student’s GSU student email account. Students are responsible for reading and responding to their university email. If a conduct case is referred, the student will be notified of the alleged violations and student conduct procedures. In extenuating circumstances, notices may also be mailed to a student’s address as listed in their official records held by the Registrar or hand-delivered to the student on campus.

**Interim Measures**

Interim measures may be put into place at any time after the initial reporting of alleged misconduct, prior to a conduct hearing, for reasons including, but not limited to:

1. To protect the health, welfare, or safety of a student or the university community;
2. To prevent or address significant disruption to the educational process and/or the normal operations of the university; or
3. To provide legally mandated supportive measures in accordance with Title IX or a court order.

Interim measures will not include termination of a student’s status or be a finding of responsibility. A student’s failure to abide by any interim measures may be considered a violation of the Student Code of Conduct.

**TYPES OF INTERIM MEASURES**

Interim measures may include, but are not limited to:

A. Change of University Housing room assignment or removal/ban from University Housing;
B. Change of dining/parking/transportation arrangements;
C. Restrictions on participation in student organizations and student activities;
D. Change in work schedules/assignments;
E. Alteration of academic schedules;
F. Withdrawal from/retake of a class without penalty;
G. Limited access to university services;
H. Restricted access to university buildings/facilities;
I. No contact order;
J. Hold on a student account.

**NOTIFICATION OF INTERIM MEASURES**

If interim measures are necessary, the students’ affected by the measures will be provided with a written notice outlining the restrictions or changes that have been imposed. The interim measure notices will be sent to both parties and will specify the measures that have been put into place and the reason(s) for the action. Interim measures will vary depending upon the facts of each case.

**Summary Suspension**

The Office of the Dean of Students may summarily suspend a student whose continued participation in a specific program or activity, or presence on campus, poses an immediate threat to the health or safety of others or significant disruption to normal campus operations. Summary suspensions are to respond to extraordinary
situations where, in the judgment of the Dean of Students, the prescribed Student Conduct process is not appropriate or cannot be applied in a timely enough manner.

A summary suspension may include, but is not limited to, the following:

A. Restriction from some or all university premises, including University Housing
B. Loss of privilege to participate in classes, either in person or electronically/virtually
C. Loss of privilege to participate in some or all university-related activities
D. Registration hold
E. Graduation hold (if student is on the graduation list or scheduled to graduate within the semester of the suspension); and/or
F. Notification of suspension to academic program.

NOTIFICATION OF SUMMARY SUSPENSION

The student will be notified of the summary suspension status by official GSU student email, telephone, and/or in person. The notification will include an explanation for the imposition of the summary suspension and outline the restriction(s) imposed on the student during their suspension. After the issuance of the summary suspension notice, the Office of the Dean of Students will inform all appropriate campus administrative units of the imposition of the summary suspension. Failure to abide by the terms of the summary suspension may result in additional disciplinary action. A student who questions the summary suspension may submit a written request for a hearing before the Dean of Students to review the summary suspension.

Conduct Hearings

Student(s) who have allegedly violated the Student Code of Conduct will have the opportunity to participate in a conduct hearing to discuss the alleged violations and respond to the charges. The conduct process is not a criminal or judicial trial/practice. The hearing process is designed to educate students and hold them accountable for their conduct and decision-making.

During the academic year, cases are typically assigned to a hearing office or the Student Conduct Committee (SCC). Exceptions include, but are not limited to:

- Periods when the committee is not in session (e.g., academic break periods, summer term, university break periods, periods at the start of each semester prior to the convening of the committee)
- Cases that required special need for confidentiality (e.g., sexual harassment).

ADMINISTRATIVE CONDUCT HEARING

An administrative conduct hearing is a conversation between a student and an administrative hearing officer for low-level violations / first offenses of university policy that occur outside University Housing and moderately serious / repeat offenses of university and residential policies. Generally, incidents occurring within University Housing will be heard by Director/Assistant Director of University Housing (this includes non-resident students who violate policy within University Housing) and incidents occurring outside university housing will be heard by the Director of Community Standards.

Administrative Conduct Hearing Format

A. **Student attends the hearing:**
   1. The student may ask questions about the process;
   2. The hearing officer will review the facts of the incident report, as well as any other relevant case information received;
   3. The student may respond to the information by providing their perspectives on the incident and alleged policy violations;
   4. The student may present information and/or witnesses relevant to the charges;
   5. The hearing officer may ask questions of the student and witnesses;
   6. The student may accept or deny responsibility for the alleged policy violation(s);
   7. The hearing officer will determine whether the respondent is responsible for the alleged policy violation(s) and, if responsible, will consider appropriate sanction(s);
   8. At the conclusion of the hearing, Community Standards will inform the students of the hearing officer’s decision in writing.
B. **Student does not attend administrative hearing.**

1. If the student chooses not to meet with the hearing officer by the given deadline, the hearing officer may proceed with the determination of responsibility and if responsible, impose any sanction(s) without input from the student.

2. At the hearing officer’s discretion, the student may be offered a second opportunity to schedule a hearing if the student has not previously participated in a conduct process and the decision has not been communicated in writing.

**STUDENT CONDUCT COMMITTEE**

A Student Conduct Committee hearing is a formal conversation between a respondent and a committee of faculty, staff, and students who have been trained to hear serious / repeat offenses of university and residential policies regardless of where the incident occurs. The conduct committee hearing process provides the student with an opportunity to:

- Review the available case information, including the alleged violations
- Share their perspective on what happened, including presenting witnesses and relevant evidence
- Describe the effects the incident has had on the student and others, both negative (harm caused) and positive (lessons learned).

**Student Conduct Committee Hearings:** Hearing proceedings will follow the format described below. The hearing is not conducted as a civil or criminal proceeding and consequently strict rules of evidence do not apply. At the discretion of the members, changes may be made to the hearing format to accommodate special circumstances. The Committee/Hearing Chair is responsible for asking all relevant questions, making decisions based on the materials and information provided, and imposing sanctions where appropriate. The Hearing Chair/Student Conduct Committee determines the relevance of any information, materials, or testimony, and may refuse to direct questions to the parties/witness and/or refuse to accept information, materials, or testimony it considers immaterial or irrelevant.

The Student Conduct Committee hearing will utilize the following format:

1. **Introduction/Review of Alleged Violations:** The Chair of the Student Conduct Committee will convene the hearing by requesting that all individuals present state their name and role. The Chair will then review the alleged violations of the Standards of Conduct.

2. **Opening Statements:** The complainant and respondent may each make a brief opening statement for the purpose of providing the hearing committee with a short summary of their positions relevant to the complaint and the materials/witnesses to be presented.

3. **Presentation of Evidence:** The complainant and respondent may present to the committee any and all information, materials, and witness testimony to support their position. Community Standards may call any witnesses or investigators to present relevant findings to the hearing committee. Witnesses may only be present at the hearing while providing their testimony.

4. **Questioning of Parties/Witnesses:** After each respective presentation, the hearing committee, complainant, and respondent will have the opportunity to ask questions. The Hearing Chair/Student Conduct Committee may recall any witnesses. Once all information, materials, and testimony have been presented, the hearing committee, complainant and respondent are provided a final opportunity to ask additional questions or provide additional information to the Student Conduct Committee.

5. **Closing Statements:** The complainant and respondent may each make a closing statement. The closing statement should be a short summary of the materials and information presented during the hearing and any relevant information that the student would like to share with the hearing committee.

6. **Executive Session:** The hearing committee will excuse all participants and enter into executive session during which the committee will assess the information presented as well as the credibility of the parties and witnesses. The hearing committee will decide (based on a simple majority vote): (a) whether or not, by a preponderance of the evidence, the respondent is responsible for the alleged violation(s) of the Student Code of Conduct, and, if so, (b) what sanctions are appropriate. Only after determining responsibility will the committee review and consider any previous sanctions imposed on the respondent. The review of any previous sanctions will include all disciplinary actions taken in any prior conduct proceedings. The deliberations of the executive committee are not recorded.

**Rights of Students in the Conduct Process**

Students are given due process rights in compliance with the Fourteenth Amendment of the U.S. Constitution. The Fourteenth Amendment requires all public institutions of higher learning to afford students due process prior to taking disciplinary actions, including notifying students of allegations and providing an opportunity for the student to respond to the allegations.
Students charged with violations of the Student Code of Conduct are advised of their due process rights when they meet with the Office of the Dean of Students staff and designees, and throughout the process, they are entitled to the procedural rights listed below. All students should familiarize themselves with the following rights and procedures.

The hearing information and procedures apply to Disciplinary Conferences, Administrative Conduct Hearings, and Student Conduct Committee hearings unless otherwise noted. Please note that processes for sensitive cases such as Title IX / Sexual Harassment, Discrimination, or Retaliation cases differ from the list below, refer to the Title IX and Sex Anti-Discrimination, Harassment and Retaliation Policy (Policy 78), govs.edu/titleix.

A. Notice of Charges: The student will be given the opportunity, upon request, to read all written reports to be presented at the hearing regarding the circumstances and allegations of the case. (To protect the rights of others involved, presented documentation may be redacted.)

B. Respond to Charges: It is presumed that a student charged with a violation of the Code is not responsible for such violations unless the student accepts responsibility or is found responsible following a hearing. Both the responding student(s) and the complainant(s) will be provided with an opportunity to meet with the hearing officer/committee to share information about the incident. Students have the right to questions persons presenting information regarding the alleged incident. Contact between the responding and complainant parties may be limited to necessity.

C. Choosing Not to Participate: Students are encouraged but not required to appear at a hearing or participate in the resolution of their charges. In this situation, the Office of the Dean of Students will proceed without the participation of the student.

D. Hearing Body: For a Disciplinary Conference and Administrative Conduct Hearing, a hearing officer hears the case and determines the outcome. For a Student Conduct Committee Hearing, a quorum consists of four voting members of the Student Conduct Committee from at least two groups (student, staff, and faculty).

E. Incidents Involving Multiple Students/Separate Hearing: When more than one student is involved in the same incident, the Office of the Dean of Students will determine the appropriate approach to resolution, balancing students’ privacy rights with the university resources available to provide a timely and fair resolution.

   1. Combined Hearings: If a decision is made to combine the hearings of all the students involved in an incident, all parties (complainants and respondents) will be present for the reading of the charges, opening remarks, complainant's presentation of evidence and witness testimony, and closing statements.

   2. Separate Statements: If a combined hearing occurs, at the time the individual respondent presents their case, the other respondent(s) and their advisor and witnesses may be excused from the hearing unless otherwise agreed upon by the respondent(s) and the committee.

F. Information about Conduct Process: The student has the right to information about the conduct process and procedures and to have their questions answered about the process.

G. Notification of Hearing Outcome: Within seven (7) working days following the conclusion of the hearing, a written decision will be sent to the respondent and all appropriate parties. Decision notices are sent to GSU student email and including information about charge(s), sanction(s), and appeal processes. If there is no disciplinary action needed, the decision letter will communicate that no action is required from the student.

H. Participants in Hearing: All hearings are closed and not open to the public except for the following individuals: hearing officers or members of the Student Conduct Committee, the complainant(s), the respondent(s), advisors, witnesses, Office of the Dean of Students staff, and the Department of Public Safety. For student conduct committee hearings, the respondent may request that the hearing be open to members of the university community and this request must be approved by the committee and the Office of the Dean of Students.

I. Personal Safety Considerations: The student will be given reasonable accommodations for concerns related to personal safety, well-being, and/or fears of confrontation of persons involved with the case during the hearing process. In situations where reasonable fear for physical safety and/or retaliation exists, the Conduct Committee Hearing Chair reserves the right to take appropriate and reasonable measures to adjust the hearing format, including having police present and/or using technology to allow parties to participate in a manner that addresses the concerns while allowing the process to move forward.

J. Privacy of Information: Student conduct records are maintained in accordance with the GSU Student Records Policy (Policy 12), as well as applicable federal and state laws. All hearings, proceedings, and case information are considered confidential except to those who have a legitimate educational interest in them, or as permitted or required under FERPA, the Clery Act, or any other legal mandate.

K. Reasonable Accommodation: Any student with a disability involved in the conduct process has the right to request reasonable accommodations to ensure their full and equal participation. Students wishing to request reasonable accommodations should submit requests directly to Access Services for Students with Disabilities.

L. Record of Hearing: For a Student Conduct Committee Hearing, Community Standards will maintain a record of the hearing which may be in the form of a written summary of the proceedings and/or audio recording, if applicable.
The following factors are generally considered when determining sanctions for a particular case:

**ADMINISTRATIVE SANCTIONS**

A. **Warning**: A written warning or official notice that previous conduct was unacceptable and that future misconduct may result in more severe disciplinary action.

B. **Disciplinary Probation**: A specific period during which a student must conduct themselves in a manner consistent with university policy. Future violations of university policy while on disciplinary probation may result in more severe disciplinary action, including separation from the university. Students on probationary status may not be eligible for participation in student activities, intercollegiate athletics, awards, prizes, or scholarships when conduct acceptable to the university is a condition of such participation.

C. **Loss of Privilege**: The withdrawal of a university privilege including but not limited to the use of services, participation in a program, event, or activity for a specified period, or removal from an appointed position of authority.

D. **No Contact Order**: A no-contact order prohibits contact between specific individuals through any means or media including, but not limited to: in-person, phone, voicemail, text message, social media, instant messenger, e-mail, notes, cards, letters, flowers, or other gifts. This includes...
contact via any third party (family, friends, or acquaintances) on either party's behalf. The no-contact order also requires that the individuals will take reasonable measures to maintain a distance of 30 feet away from one another and will not threaten or retaliate against the other individual.

E. **Restitution**: Requires a student to pay for damages to, or misappropriation of, university property, or the property of visitors to, or members of, the university community. Such restitution may be charged to any student who alone, or through group conducted activities, organizes, or knowingly participates in the events causing the damages or costs. Restitution may be imposed separately or in addition to any other sanction(s).

F. **Loss of Recognized Student Organization/Club Status**: Loss of all privileges identified within the student club/organization protocols, for a specified period.

**UNIVERSITY HOUSING SANCTIONS**

A. **Loss of Guest Privileges**: Revocation of a resident’s ability to host guests or for a non-residential student to be a guest for a defined period of time.

B. **Housing Reassignment**: Reassignment to a new room.

C. **University Housing Probation**: University Housing probation is a specific period during which a student must conduct themselves in a manner consistent with university and housing policy. Failure to comply with the terms of probation or future violations while on probation may result in more severe disciplinary action, including removal from university housing.

D. **University Housing Suspension**: Temporary separation of the student from university housing for a specific period, after which the student is eligible to return. Conditions for return may be specified.

E. **University Housing Expulsion**: Permanent separation of the student from University Housing.

**EDUCATIONAL / DEVELOPMENTAL SANCTIONS**

A. **Educational Activities**: Educational activities include programs and assignments designed to increase awareness and education about the impact of misconduct on self and community. This may include, but is not limited to, modules, assigned papers, mediation, community service, workshops, or meetings with appropriate university personnel.

B. **Recommendation for Assessment**: A recommendation may be made for the student to seek assistance with anger/conflict, substance use, or other matters from trained professionals and/or service providers. An assessment is designed to assist students in examining emotions and behaviors such as anger, aggression, elevated interpersonal conflict, or substance use in a judgment-free and confidential environment. An assessment provides a structured opportunity to assess individual behavior and identify potential strategies to manage emotions/conflict or risk. Counseling and Wellness Center staff will report attendance to Community Standards but will keep the assessment content confidential.

**ELEVATED SANCTIONS**

A. **University Suspension**: Temporary separation of the student from the university for a specific period, after which the student is eligible to return. Conditions for return may be specified. Suspension excludes the student from registration, class attendance, and use of university facilities during the specified period.

B. **University Dismissal**: Permanent separation of the student from the university. Dismissal excludes the student from registration, class attendance, and use of university facilities with no promise (implied or otherwise) that the student may return at a future time. Use of university facilities is prohibited without authorization from the Office of the Dean of Students.

A student who has been dismissed may be readmitted only by the action of the university president. A student who has been dismissed is not eligible for readmission sooner than one year from the date of dismissal. Students must reapply which the student must reapply to be considered for admission. Readmission is not automatic or guaranteed.

**Financial Responsibility**

A student who is suspended or dismissed from the university and/or from university housing due to misconduct
is nonetheless responsible for all financial obligations to the university that they incurred.

**Transcript Notations**

When a sanction of Disciplinary Suspension is issued due to conduct action, a notation will be placed on the academic transcript for the duration of the suspension period. When a sanction of University Dismissal is imposed, the Dismissal sanction will remain as a permanent notation on the transcript.

**PARENT/GUARDIAN NOTIFICATION**

Parents, or designated guardians, will receive written notification when a student is found responsible for violating the Student Code of Conduct and/or engaging in the following behaviors:

This notification is supported by FERPA, which allows colleges and universities who receive federal funding to notify parents/guardians of dependent students when a student has been found responsible for violating university alcohol, drug, or weapons policies.

This notification occurs because of the significant health and safety risks and consequences associated with underage alcohol consumption, drug use, and weapons possession. Governors State University supports the idea that the student, their parents/guardians, and the university are engaged in a partnership in which each partner has the responsibility to promote a healthy and productive educational experience for the student.

**SANCTION SUBMISSION**

Sanctions may be submitted online at govst.edu/sanctionsubmission. Sanctions will be reviewed and marked complete if the stated guidelines have been met. Sanctions that do not meet the stated guidelines will be returned to the student for revision.

- Alcohol Policy Violation
- Controlled Substances (Drugs) Policy Violation
- Firearms, Weapons, & Dangerous Substances Policy Violation
- Alcohol/Drug Citation Issued by University Police
- Medical/Intoxication Transport: The student received medical assistance due to incapacitation, suspected incapacitation, and/or self-injury.

**Registration Holds for Overdue Sanctions**

A hold may be placed on a student’s account when a student has failed to complete a sanction by the deadline. A hold will not be removed until the student has completed their outstanding sanctions. Students who wish to have their hold temporarily removed to register for classes must contact the Office of the Dean of Students.

**Student Conduct Appeals**

Students have the right to file a written request for an appeal of the findings of responsibility and/or the sanctions. The Office of the Dean of Students will review all appeal requests to determine if the student has demonstrated appropriate grounds for appeal. Appeals based solely on a student’s disagreement with the outcome will be denied.

**GROUNDS FOR APPEAL**

Appeals must be based upon one or more of the following grounds:

1. **Procedural Error:** A procedural error that substantially affected the outcome of the hearing occurred.
2. **New Evidence:** New evidence sufficient to alter a decision and was not available at the time of the original hearing. Information will not be considered “new evidence” if the respondent or complainant did not attend the original hearing or voluntarily withheld information during the original hearing.
3. **Disproportionate Sanction(s):** The sanction(s) imposed are substantially disproportionate to the severity of the violation(s) for which the respondent was found responsible.
APPEAL REQUESTS

Filing an Appeal

A student may file a request for appeal no later than five (5) business days after the decision letter was issued and the respondent has been found responsible for violating the Student Code of Conduct. An appeal must include a one (1) page maximum statement explaining the grounds for the appeal and the desired outcome of the appeal request. Students may submit relevant supporting evidence and documentation. Appeals may be submitted online at govst.edu/conductappeal.

Request for extension of timeline

A student may request in writing (e-mail) a one-time extension to submit an appeal in extenuating circumstances such as a serious illness, injury, or other personal emergencies. Requests for an extension will be reviewed by the Dean of Students or designee. A delay in the student opening/receiving the e-mailed decision letter may not be grounds for requesting an extension or submitting a late appeal request.

Review of Appeal Request

After receiving an appeal request, Community Standards will review all materials submitted and decide whether or not the appeal request contains sufficient merit to grant an appeal hearing. Students will receive a written response to the appeal request within five business days.

1. If the appeal request is granted, Community Standards will notify all parties (i.e., the responding student, the complainant) and will schedule an appeal hearing.
2. If the appeal request is denied, Community Standards will notify the student of the decision along with the rationale for denial.

APPEAL HEARINGS

Appeal hearings will seek to address if a case will need to be reheard, if imposed sanctions need to change, or if the original decision will be upheld. If granted, an appeal hearing will be scheduled within 10 business days of the student’s appeal request. The appellate body for an administrative or committee hearing is the Dean of Students or designee. Students who wish to appeal a decision by the Dean of Students must submit a written appeal to the Office of the Provost, following instructions in the decision letter. The decision of the Provost is final and binding and there are no further options for appeal.

Student Conduct Records

All official records of non-academic misconduct shall be maintained in the Office of the Dean of Students. Under the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, a student has the right to inspect and review their education records maintained by the institution. A student may grant any third party (e.g., parent, spouse, and/or sponsor) permission to access their education records or any portion thereof. To request records for personal inspection or third-party release, please use the electronic request forms published online: govst.edu/thecode/.
