---

During the COVID-19 pandemic, all Fall 2020 Lecture-Discussion Social Work courses will be delivered remotely synchronously at the schedule posted day and time and/or asynchronously as indicated in the course syllabus.

Students in Field Practicum will primarily be on-site at their designated field agency. When students physically attend their assigned practicum site to interact face-to-face with their field instructor and/or clients, students must follow the agencies' safety guidelines, not limited to the following:

- Wear a face mask (at least three layers) at all times when on site and when interacting face-to-face at the Field Agency;
- Maintain six feet of social distancing from all students, staff, and faculty in the Agency
- Wash hands frequently and/or use hand sanitizer.
- Sanitize your work space and materials frequently.
- Stay at home if you feel sick.

If a student has concerns or cannot meet the above safety guidelines, please contact your Field liaison/Seminar faculty or the Director of Field Education immediately.

**Student or Faculty Activities and Events:**

Due to COVID-19 pandemic conditions it is inadvisable to hold in-person events as we have done in the past. Events meeting the Restore Illinois guidelines for gatherings in Phase 4 (currently 50 people or fewer) may occur on-campus if such events receive prior approval and have written plans and procedures to utilize current CDC and IDPH guidance for face coverings, hand hygiene, and social distancing. All on campus events, designed for both internal and external constituencies, must secure prior approval from the GSU Events Office in consultation with the Campus Emergency Response Team.
