

RN to BSN Completion Program Bachelor of Science in Nursing

RN to BSN Completion Program Bachelor of Science in Nursing

Achieve Your Professional Dreams and Goals

GovState Nursing programs prepare nurse leaders who address the challenges of local, regional, national and global healthcare reform. Our nursing programs focus on providing quality, holistic care, creating healing environments and building caring communities. The GovState nursing faculty includes Advanced Practice Nurses, seasoned educators and doctorally-prepared researchers who provide students with an exceptional educational experience.

The Difference a Degree Can Make

A Bachelor of Science in Nursing expands your knowledge of the art, science and practice of nursing as you build on your qualifications and advance your career. If you're an RN with an associate degree or diploma in nursing and an active RN license, consider GSU's online RN to BSN Completion Program.

Built for You – the Working Nurse

The RN to BSN Completion Program is offered in a manner that considers the needs of the working nurse. Our program is delivered through dynamic online classes. The degree can be accomplished in three terms.

Both the undergraduate and master's nursing programs are accredited by the Accreditation Commission for Education in Nursing. The RN to BSN Completion Program also incorporates the latest recommendations of the American Association of Colleges of Nursing.

Next Step!

Take the next step in your career.

- Visit the Apply Online page of the GSU website: <https://apply.govst.edu/apply/>

Application deadlines:

- Fall term – July 1
- Spring term – November 1
- Summer term – April 1

Learn More!

For more information, go to the Department of Nursing website: www.govst.edu/; call 708.534.4040. Nursing courses begin in the Fall and Spring semesters.

FACT

Nurses must be prepared to meet diverse patient needs; function as leaders; and advance science that benefits patients and the capacity of health professionals to deliver safe, quality patient care.

Program Admission Requirements

In addition to meeting university admissions criteria, applicants must:

1. Have earned an associate's degree in nursing or have graduated from a diploma nursing program;
2. Be currently licensed as a registered professional nurse or be in the process of obtaining a Registered Nurse license.

Application Information

Individuals who recently graduated from an associate's degree nursing program and are in the process of obtaining a Registered Nurse license may be admitted conditionally. The provisions of admission is that licensure shall be obtained by the end of the first semester of enrollment in order to continue in the program in accordance with policies stated in the Department of Nursing Undergraduate Student Handbook.

Applicants with degrees from countries other than the United States must have their international transcripts evaluated by a NACES (<http://www.naces.org/members.html>) approved agency. Applicants must assume all responsibility for fees associated with testing and evaluating. All required credentials must be on file in the Office of Admissions before an applicant can be admitted to the program.

Degree Requirements: 120 Total Credit Hours:

Students must meet all university requirements for a bachelor's degree, but a minimum of 35 credits must be completed at the upper-division (junior / senior) level; and up to 85 lower-division credits (freshmen / sophomore) may be transferred to GSU.

All program required courses need to have a grade of "C" or better. In addition, a student may repeat only two nursing courses once (with the NURS prefix) to earn a grade of "C" or better without being academically dismissed from the program.

General Education Requirements (38 Hours)
