POST-BAC CERTIFICATES IN EARLY CHILDHOOD EDUCATION

Early Childhood Endorsement or Early Childhood Special Education Approval

Candidates who hold an Illinois Professional Educator License (PEL) and seek a subsequent endorsement (*certificate only program*).

Due to the ongoing teacher shortage, the current generation of children are at risk of receiving inadequate guidance that may impact their educational development. Licensed teachers can earn an advanced certificate to add a subsequent endorsement to their Professional Educator License (PEL). GSU offers coursework for teachers to earn endorsements in the early childhood field: Early Childhood (EC) Endorsement or Early Childhood Special Education (SPED) Approval.
