RE: Request for Written Evaluation of Academic Performance

To comply with federal regulations, Governors State University is required to monitor whether a student is maintaining satisfactory academic progress in his/her course of study. Students who have been denied financial aid eligibility because they have not met the requirements of the Satisfactory Academic Progress Policy are offered the opportunity to submit an appeal to regain their financial aid eligibility. As part of the appeal, a student must document extenuating circumstances that prevented him/her from meeting the requirements.

Before the Satisfactory Academic Progress Appeal Committee may consider a student's appeal, the student is required to obtain a written evaluation of his/her past and potential academic performance at Governors State University. Your evaluation will be treated as confidential and will be reviewed only by the Satisfactory Academic Progress Appeal Committee and financial aid staff as necessary.

The student presenting this document and Evaluation of Academic Performance Form to you will sign below that he/she authorizes your release of information. Once completed, please return to the student so that they may submit along with their appeal. Thank you in advance for your cooperation.
