NEWS ON THE PRAIRIE

VOLUME III, ISSUE I

AUGUST 2017

Welcome Home!

Hello Prairie Place Residents and welcome to the 2017-2018 school year! The Office of Auxiliary Services and University Housing is very excited that you decided to live on campus.

Every month our department will send out a newsletter to keep you informed about upcoming events, housing policies, dining specials and more.

For now, take a look at a few of our upcoming events that we will be hosting to help get you settled into your new home.

On Sunday, August 27th at 6PM Prairie Place Staff will be hosting our

annual **Welcome Back Picnic**. Staff will have games, music and other entertainment ready and a picnic style dinner will be served.

Prairie Place Residence Hall

Immediately following the picnic at 8PM, every Prairie Place Resident will be required to attend their **floor meetings** in the Prairie Place Lounges near their room. RAs will go over some very important information

with residents so make sure you are present.

Also, during move-in there will be a Prairie Place Policy Quiz available at the front desk. After you complete the quiz turn it in to the Prairie Place front desk and if you receive a score of 80% or higher a **free Prairie Place T-Shirt** will be placed in your mailbox!

We are looking forward to a great year!

Sincerely,

University Housing Staff

Meet Your New Residence Hall Director

Prairie Place has a new Residence Hall Director, Corinne Martin, who started at GSU on June 1, 2017. Corinne's office is in Prairie Place across from the C-Store.

Here is a welcome message from Corinne: "Welcome to Prairie

Place! I look forward to meeting and interacting with you all throughout the school year. Our theme for the year is "let your dreams take flight"; so check out the door decorations and the bulletin boards around the building to be inspired to work hard this year."

2017-2018 Faculty-in-Residence

From left to right: Dr. Patrick Santoro, Dr. Crystal Harris, Mr. Herbert Pitman

The Faculty-in-Residence program serves as the cornerstone of the GSU Living/Learning Initiative.

The program goals are:

- 1) To provide opportunities for faculty and students to interact outside of the classroom;
- 2) To provide opportunities for residential students to develop a relationship with a faculty member who can help

direct them to university wide resources and who will assist students in creating a foundation for success;

3) To enhance the student experience by promoting student-faculty interaction through cultural and educational programs and other events;

4) To provide personal and academic role models as students explore their studies;

To learn more about each one of the Faculty-in-Residence please visit the [University Housing/Living and Learning Community Webpage](#). They are all very excited to assist the students living in Prairie Place!
