

## Health Care Sector Resource Guide

### Job Search Sites

**AllHealthcare** - <http://www.allhealthcare.com>

Connect with other healthcare workers and job-seekers. Explore the most healthcare job listings on the web. Access expert career, job-seeking, and healthy living tips.

**HealthJobsNationwide** - <http://www.healthjobsusa.com>

Nation's premier healthcare and medical jobs website with over 1.5 million healthcare job listings from over 90,000 medical facilities. Helps in placing qualified physicians, nurses, therapists, and other healthcare professionals into the best permanent or temporary (locum tenens) positions in the healthcare industry.

**Advance Healthcare Network** - <http://www.Health-care-jobs.advanceweb.com>

Millions of nursing, rehab and allied health professionals turn to ADVANCE for websites filled with articles, interviews, videos and interactive features, print magazines and digital editions, webinars, job fairs, open houses, industry-leading job board, and continuing education in a variety of formats.

**Nation Job** - <http://www.nationjob.com/medical/>

Community based job network with 20 years of experience connecting job seekers, employers, communities and industries. Explore the successful community job sites and industry job sites listing thousands of jobs across the nation, and sign up for PJ Scout to start testing your job search results

### Resource Sites

**Explore Health Careers** - <http://www.explorehealthcareers.org>

Free, multi-disciplinary, interactive health careers website that gives students (and educators) a reliable, comprehensive source of accurate, up-to-date information about the health professions. This includes information on and links to health-related education/training programs, financial aid resources, and current issues in health care.

**Your Career as a Healthcare Executive** - <http://www.ache.org/carsvcs/ycareer.cfm>

Healthcare executives work in a variety of settings, including hospitals and integrated delivery systems, managed care organizations, long-term care facilities, home health agencies, and consulting firms, to name a few. The American College of Healthcare Executives wants to help you make a positive, informed decision about your career.

**Top Master's in Healthcare Administration** - <http://www.topmastersinhealthcare.com>

Purpose of this site is to guide you to the appropriate college or university to ensure successful and satisfying employment in healthcare management. Here you will find fact-based information to help prepare yourself for graduate studies and the worldwide workplace.

**U.S. Army Health Care Team** - <http://www.goarmy.com/amedd/>

The U.S. Army provides an alternative of practicing health care in the armed forces. Pursue a successful career in your chosen health care field with benefits that can advance your skills and knowledge, shape your perspective, and provide you a comfortable and rewarding lifestyle.
