Diversity & Social Change Definition: Diversity and Social Change provides opportunities for community members to engage in co-curricular opportunities to explore their multiple identities and how they intersect. Participants will become more cognizant of the impact of privilege, power and oppression and learn how to become advocates and allies to ensure we are a welcoming, inclusive campus.

Programming Opportunities: The following reflects planned programs and events that are confirmed, or in progress, that can be utilized in your syllabus as co-curricular learning opportunities, or in your department or organization for community building around diversity education and social justice. Program dates and times are subject to change. Please visit www.govst.edu/diversity or email diversity@govst.edu for updates.
