Financial Support

Financial Aid for students who are experiencing homelessness is available.

- The FAFSA contains three questions that ask about homelessness and this status must be verified.
- College Cost Reduction and Access Act of 2007 (CCRAA) expands the definition of “independent student” to include unaccompanied homeless youth. Specifically, the CCRAA states that youth who are 1) unaccompanied and homeless, or 2) unaccompanied, self-supporting and at-risk of homelessness at any time during the school year in which they sign the FAFSA, are considered independent.
- The Office of Financial Aid can work with students whose housing status has changed to reassess financial aid awards.

For more information, visit the [Financial Aid website](#) or contact Financial Aid by email faid@govst.edu, phone 708.534.4480, or in person in D1400.

- On-campus housing is only available for currently enrolled students. No family housing is available.
