<b>Objective 1:</b>	<b>Record and assess track all programs, trainings and educational outreaches on the prevention of sexual violence.</b>
<b>Action Items</b>	<ul style="list-style-type: none"><li>• Create a spreadsheet to record and track all programs/trainings/workshops</li><li>• Develop different assessments to assess/evaluate program/workshop effectiveness</li><li>• Develop annual report summary for sexual violence prevention programming and outreach</li></ul>
<b>Desired Outcomes and Achievements</b> (Identify results expected)	Completed spreadsheet that demonstrates ASAP efforts on the GSU campus.
<b>Achieved Outcomes and Results</b>	A spreadsheet was created in June, 2015 in order to document all sexual violence prevention work on campus (YWCA trainings, programs and outreach events). One assessment was created by the ASAP team for all events and programs that occurred through AY16. The deadline to submit the annual report summary is July 5, 2016.
<b>Analysis of Results</b> (Where outcomes met? Exceeded? Progress towards goal. Implications for AY17 Objectives.)	Yes, outcomes were met except the ASAP team developed one assessment tool; implications for AY17: learned there is a need to have different assessment tools for different events in the upcoming academic year.

**Goal 4: Create, implement and assess Sexual Assault and Relationship Violence Prevention programs, training and educational services throughout the year that promote a culture of gender equity on the campus.**

<b>Objective 2:</b>	<b>Collaborate with the YWCA to provide trainings on sexual violence prevention for faculty, staff and administrators on campus.</b>
<b>Action Items</b>	<ul style="list-style-type: none"><li>• Follow training schedule as part of MOU with YWCA</li><li>• Schedule trainings for faculty, staff and administrators on campus</li></ul>
<b>Desired Outcomes and Achievements</b> (Identify results expected)	Train as many faculty, staff and administrators at GSU as possible on the prevention of sexual violence
<b>Achieved Outcomes and Results</b>	The only faculty trained were the Faculty-in-Residence at Prairie Place. Other faculty and staff were trained on Title IX via a Human Resources requirement through an online program.
<b>Analysis of Results</b> (Where outcomes met? Exceeded? Progress towards goal. Implications for AY17 Objectives.)	Outcomes were not met. This is the last year of the Memorandum of Understanding (MOU) with the YWCA, so a strong effort to train faculty, staff and administrators by the YWCA will need to be scheduled.
