

Dear Governors State University 2020 Graduate,

It is with tremendous pride that Governors State University announces a virtual commencement ceremony will be hosted this year – just for you!

Though we still can't gather safely because of the lingering COVID-19 pandemic, you will not have to wait any longer for a proper acknowledgement of your tremendous academic achievements.

Class of 2020 graduates will be honored in an exclusive virtual ceremony on Sunday, May 23, 2021. The specific time will be announced soon.

Our host, Fogarty Services, promises to deliver an inspiring event tailored to reflect your individual experience at Governors State University. Visit our [Commencement website](#) to RSVP as an eligible participant and to learn more about our plans.

We thank you for your patience as we determine the best way to celebrate you safely.

Watch your Governors State email for exciting instructions from Fogarty!
