Governors State University

Curricular Requirements For Intra-University Status Change
Interim Policy

Any degree-seeking, continuing student requesting a change from one major to another major is subject to the admission, degree, and program requirements in effect in the intended major at the time of change. Any undeclared student requesting to change from the undeclared status to a major is subject to the admission, degree, college, and program requirements in effect in the intended major at the time of change.

Students must be in academic good standing or have permission from the intended college or major to prior to the transfer taking effect.

The requested transfer must be approved by the division/department with the appropriate signatures and filed with the Registrar’s Office prior to the transfer taking effect.

Effective fall 1984
Revisions effective winter 2002, fall 2007
