Books of Tribute and Celebration

The GSU Library invites you to celebrate and honor someone or some event through a unique and lasting program that recognizes the successes, achievements, and special people who have enriched our lives.

With only a \$100 contribution to the University Library's Books of Tribute and Celebration program, a special book will be selected and affixed with a bookplate honoring the person(s) of choice.

Books are selected from the following subjects: Business, Counseling, Education, Health and Human Services, Humanities, Science, and Social Science.

Celebrate and Honor

Books of Tribute and Celebration offer an enduring expression of appreciation for the people who have enriched our lives:

Professors
Graduates
Parents
Spouses/children
Colleagues
Memorials

Books of Tribute and Celebration provide a lasting remembrance of important milestones:

Birthdays Weddings Anniversaries Graduations Promotions Retirements

Acknowledgement

When a gift is made to the University Library Books of Tribute and Celebration Fund, a letter of acknowledgement and copy of the bookplate as it appears in the book will be sent to you and the honoree or his/her family.

Governors State University is grateful for your support. One of the ways we express our thanks is through listing the names of donors in various publications. Should you wish that your gift remain anonymous, please notify us.
